#### LOCATION

Junipero Serra State Building Carmel Room  
 320 West 4th Street Los Angeles, CA 90013

1. Call the meeting to order/Pledge of Allegiance
2. Approval of August 14, 2011 and November 6, 2011 meeting minutes
3. Selection of Committee Chairman and Vice Chairman
4. Selection of endocrinologist for vacant seat
5. Additional presentation(s) by neurocognitive testing/neuropsychological testing vendors (Vista Life Sciences-ANAM, Headminder and/or CNSVS)
6. Neurological Fund Update
7. Discussion on how to implement new neurologic testing and develop formal recommendation
  - Should we require computerized testing but support more than one brand?
  - Should we take competitive bids from the vendors and pick the top two (2)?
  - Whichever computerized test we use, we should set up a data exchange so they can give us the test data in a spreadsheet database format. This would allow us to spend less money on the database and work with BreZE to input the data when available.
  - How to use these exams, i.e. pass/fail or would a low score mean further testing?
8. Status on Therapeutic Use Exemption regulations
9. Update on CAMO dehydration study and CSAC weight study
10. Standard Protocol on pre-fight physical (Dr. Wallace)
11. Decision on the request to change blood testing to yearly, from every 6 months
