Agenda Item 2 – Chairman's Opening Remarks

Chairman Frierson welcomed all who were present and those on the panel for their attendance.

Agenda Item 3 – Approval of October 7, 2013 Meeting Minutes

Commissioner Lemons requested agenda item 5d to be revised. The agenda item noted the concern that Commissioner Lemons had over the cost of regulating youth pankration. Additionally, Commissioner Lemons requested the notes to reflect his concern over the appropriateness of the Commission regulating youth pankration.

Commissioner Carvelli made a motion to approve the October 7, 2013 minutes as revised.

Commissioner Shen-Urquidez seconded the motion and the commission approved the motion by a 5-0 vote.

Agenda Item 4 – Executive Officer's Report

a) Budget Update

Executive Officer Andy Foster stated the spike in expenditures in November 2013 was due to pro-rata charges. He further stated that he was concerned over the Attorney General (AG) fees and that it would not be long before the commission exceeds its expenditure authority. Commissioner Shen-Urquidez asked Mr. Foster about the \$40,000 credit due to the commission from the AG's

office. Chairman Frierson asked Mr. Foster to follow-up with the AG's office and report the status of the AG credit at the next commission meeting in February.

Mr. Foster stated that for the current fiscal year, the commission has deposited \$648,000 and expended \$539,000 leaving the fund balance at \$426,000. December will show a spike in revenue due to late November deposits not credited until December.

Commissioner Carvelli asked Mr. Foster if the commission would be charged a fee for sending DCA investigators out to investigate youth pankration events while the cease and desist order is active. Mr. Foster stated he believes the commission will not be charged a separate fee as this is covered in the pro-rata charges. Mr. Foster stated that the commission is running a little over budget right now. Expenditures up to this point in the fiscal year have slightly exceeded expenditure authority. Commissioner Carvelli asked Mr. Foster if the commission has at least four months of reserve in its support account. Mr. Foster stated the commission has 4.3 months worth of expenditures in cash reserves. Commissioner Shen-Urquidez asked Mr. Foster if the commission pro-rata charges are still based on the commission staffing level of 11 full-time-equivalents (FTE). Mr. Foster stated that according to his knowledge, the pro-rate assessment is about a year behind. As a result, the staffing reductions the commission took in the recent past, should result in a decrease in pro-rata charges next fiscal year.

b) Boxer's Pension Fund/Neurological Examination Account Update

Executive Officer Foster stated that the boxer pension fund has approximately \$5.6 million and the Neurological fund has slightly under \$700,000.

c) Staffing Update

Executive Officer Foster stated that athletic inspectors hired under the temporary authority are about to expire and must apply to be a permanent athletic inspector. The commission currently has an exam under way for temporary athletic inspectors to apply for permanent intermittent status.

d) Past Audit Recommendations Progress Report

Executive Officer Foster stated the commission informed the Bureau of State Audits (BSA) that it will not implement recommendation #10. The recommendation asked the commission to obtain multi-million dollar broadcast contracts from promoters. Commissioner Carvelli asked why we cannot get these contracts. Executive Officer Foster stated the promoters would not give them to us as it is an industry practice. He further stated the commission compromised on BSA recommendation #10 by increasing the maximum dollar amount the commission receives from broadcast contracts.

Executive Officer Foster provided a summary of the actions taken to address all of the BSA audit recommendations. Chairman Frierson asked the Executive Officer to ensure the neurological assessment is on the February commission meeting agenda in response to BSA recommendation #22.

e) Officials Evaluation Reports

The Officials Evaluation Subcommittee have continued evaluating officials and the process had been mostly positive.

f) Scoring in Mixed Martial Arts

Executive Officer stated concerns with the scoring system in mixed martial arts (MMA). Some of the scoring problems related to MMA are because of the system. We need to better define what a

10-8 round is because we have a lack of an objective indicator like in boxing and ensure it is scored when needed. In boxing, a judge can easily score a round 10-8 due to the objective indicator of a knockdown. MMA has no such objective indicator that would help a judge easily identify and score a 10-8 round.

Commissioner Lemons stated for the record that the open letter that Executive Officer Foster wrote regarding scoring problems in MMA do not represent ideas from the commission and only represented Mr. Foster's personal ideas.

Mr. Foster stated he was part of a teleconference with the Association of Boxing Commissioners (ABC) in December 2013 and expects another meeting in January to continue dialogue on scoring problems in MMA. California needs to be a leader in the discussions with the ABC and other commissions on this issue and keep this moving forward. The commission will continue its work on this issue and ensure any new MMA scoring rules are vetted, and to the extent possible, ensure all stakeholders are on board and make the smallest changes possible. Commissioner Shen-Urquidez and Carvelli are on the official subcommittee to work on this issue.

PUBLIC COMMENT:

- Anthony Morales - Trains under Uriah Faber and wants trained people from the industry to provide input.
- John McCarthy - I helped write the rules for MMA and the rules need updated - in boxing the referee has an objective indicator (knockdown) to assist in scoring a 10-8, we need to work on getting an objective indicator for MMA.
- JT Steele from CAMMO - Would love to work with the commission in trying different scoring options and implement something and test it.

g) Report of Chavez Jr. vs. Vera video review

Executive Officer Foster stated the commission asked him to have a top official review the Chavez vs. Vera score.

h) Subcommittee Reports

1. Legal Oversight Subcommittee (Carvelli, Shen-Urquidez)

Commissioner Shen-Urquidez will defer to closed session.

2. Youth Pankration Subcommittee (Lehman, Carvelli)

Commissioner Carvelli provided a brief update. The Commission requests community participation and solicits any organization that is interested in regulating youth pankration. USFO has been working with the Executive Officer and the subcommittee and their work is appreciated. The Commission will invite stakeholders to a future meeting as we move forward.

3. Therapeutic Use Exemption Subcommittee (Lemons, Shen-Urquidez)

Commissioner Shen-Urquidez will defer this action to agenda item 8.

4. Amateur MMA Oversight Subcommittee (Carvelli, Shen-Urquidez)

Commissioner Shen-Urquidez will defer this action to agenda item 6.

5. Amateur Boxing Oversight Subcommittee (Lehman, Shen-Urquidez)

Commissioner Shen-Urquidez will defer this action to agenda item 10.

6. Ringside Officials Oversight Subcommittee (Carvelli, Shen-Urquidez)

Commissioner Shen-Urquidez stated the commission created a policy pertaining to selection of officials. In MMA, the commission shall assign officials where appropriate, for professional MMA events, the commission shall assign officials that poses no less than a blue belt in Brazilian jujitsu and a purple belt or better for amateur or as determined by the commission or executive officer. The commission shall dictate criteria for the continued use of any official. Officials will be required to attend a training session on February 9th. Another training session will be conducted six months after. Officials that attend the February 9th meeting will receive preference in future assignments over those officials that do not attend the February 9th training.

7. Boxers Pension Fund Subcommittee (Carvelli, Shen-Urquidez) Commissioner Carvelli provided an update on the boxer pension fund. The committee has draft revisions to the forfeiture provisions for the boxer pension fund. The committee is not prepared to make specific recommendations at this time and is continuing to work on this issue.

8. Anti-Bullying Campaign Subcommittee (Carvelli, Shen-Urquidez)

Commissioner Carvelli stated the committee is getting a lot of good feedback from school districts in implementing an anti-bullying campaign. A prominent MMA athlete is being filmed and once complete, the L.A. Unified School district has agreed to show the film.

9. Large Event Incentive Subcommittee (Frierson, Carvelli)

Commissioner Carvelli stated several meetings have taken place with stakeholders for ideas and progress has been made. We want California to be more competitive with other big states such as Texas and Nevada to gain a competitive advantage for attracting large events that generate significant revenue for the state.

10. Transgender Licensing Subcommittee (Lehman, Giza)

Commissioner Giza will defer this action to agenda item 9.

11. Neurological Fund Subcommittee (Giza, Lemons)

Commissioner Giza stated the commission will be able to use neurological funds for testing as soon as January 1, 2014. The Commission has sent out bids for necessary licensing and testing equipment to begin a pilot study. The commission is thinking about a pilot study to develop a reliable test where athletes might volunteer and get partial reimbursement of their licensing fees. Legal Counsel Spencer Walker advised the commission to continue with ordering approximately \$5,000 worth of initial tests to begin the pilot study and put a discussion and possible action agenda item on the next commission meeting agenda to further discuss the use of neurological funds.

Agenda Item 5 – Report from the Division of Investigation regarding Pankration Cease and Desist and investigation enforcement

Stéphanie Whitely, Supervising Investigator with the DCA Division of Investigations stated the division has been working with the commission on the youth cease and desist. There are several open investigations on youth pankration events that happened after the cease and desist. once the investigations are resolved, the investigative reports will be shared with the commission.

Agenda Item 6 – Discussion and Possible Action - New Delegation Letter to CAMO

Commissioner Shen-Urquidez discussed the new CAMO delegation letter. CAMO has revamped their systems and complied with every commission request. DCA staff counsel has reviewed the new delegation letter. Commissioner Lemons requested an injury report be added as a requested document in the CAMO delegation letter. Commissioner Carvelli thanked J.T. Steele (CAMO) for his cooperation and dedication to the new delegation process.

Commissioner Lemons made a motion to approve the new CAMO delegation letter to award CAMO another year of delegation authority and to amend the letter as follows:

- a. Re-number the document to make it correct.
- b. Add a request for injury report documentation.
- c. Add an annual review requirement.

Commissioner Carvelli seconded the motion in (g) above, as amended, and the commission approved the motion on a 5-0 vote.

Legal Counsel Spencer Walker advised the commission that the requirement for an annual review does not need to be in the revised delegation.

Agenda Item 7 – Discussion of delegating amateur kickboxing to a sanctioning body

Executive Officer Andy Foster analyzed the profit and loss financials on small events. The commission continues to lose money on amateur kickboxing events. He recommended the commission delegates amateur kickboxing and open up the bidding process.

Executive Officer Andy Foster stated it would be cost effective and practical to delegate this activity out as the commission has limited expenditure authority and limited access to kickboxing databases.

PUBLIC COMMENT:

Jarad Correa PAK FIGHTS stated that he has worked with IKF for many years and thinks they would do a great job. He believes this move would help promote the sport. He does not think that requiring a certain color belt in mixed martial arts is a good idea for being a judge / referee in California.

Agenda Item 8 – Review and possible action of Therapeutic Use Exemption proposed regulation language

Commissioner Lemons introduced this topic and said he has worked long on this issue and wants to do it right, not issue more exemptions. Commissioner Shen-Urquidez made a correction to the document to ensure the language is proper. Chairman Frierson instructed the Executive Officer to put this issue on the agenda for the commissioners to review the document at the next meeting.

Commissioner Carvelli made a motion to approve the document as is. Commissioner Giza seconded the motion. The motion passed on a 4-1 vote.

Chairman Frierson voted against the motion.

Commissioner Carvelli withdrew his motion due to lack of timely public notification of the proposal.

Commissioner Giza seconded the motion and the commission approved the motion on a 4-0 vote. Commissioner Lemons abstained.

Agenda Item 9 – Review and possible action of Transgender Licensing regulation language

Commissioner Giza wants to move a document forward for review by the Medical Advisory Committee. The goals of the new policy is to not discriminate while providing a safe environment for all athletes. Commissioner Giza instructed the Executive Officer to advance the language drafted by Commissioner Giza to the Medical Advisory Committee for further review and analysis. Legal Counsel Spencer Walker advised the commission that Rule 201.5e needs to be amended for consistency purposes. The definitions associated with the transgender language need to be incorporated into rule 201.5 for consistency purposes.

Agenda Item 10 – Discussion and possible action - delegation of amateur boxing to USA Boxing

Anthony Bartowsky (Executive Director USA Boxing) and Steve Smith (Counsel) stated they had a productive meeting with Commissioner Shen-Urquidez. Commissioner Shen-Urquidez stated USA Boxing has provided many of the requested documents and checklists have been created to ensure processes are properly followed. Commissioner Shen-Urquidez believes that going forward the commission and USA Boxing should be able to get to a workable solution. Another working session will be scheduled soon.

Agenda Item 11 – Review of Internal Investigation of altered gloves confiscated on September 20, 2013

Executive Officer Foster stated this item needs to be moved to the February commission meeting.

Agenda Item 12 – Request for early medical retirement benefit for Jose Celya

Executive Officer Foster provided summary information related to boxer Jose Celya's early retirement application. Commissioner Giza stated the commission has not come up with any standards for these types of requests. Commissioner Shen-Urquidez stated the commission should come up with a process for approving early retirement requests, similar to how Social Security Administration does it. Chairman Frierson asked what is the recommendation of the Executive Officer and the Executive Officer stated he recommend the early retirement application. Commissioner Giza stated the commission needs to come up with a process because there is very little information in this application and a process would help clarify the information needed. Commissioner Lemons stated the commission should be mindful of the limited resources athletes have and it could be hard for them to get detailed reports and information. Chairman Frierson stated the commission needs to get a policy for awarding these early retirement and stated he would like to award this early retirement.

Commissioner Lemons made a motion to approve the request.

The motion was seconded by Commissioner Giza and approved by a 5-0 vote.

Agenda Item 13 – Special commendation award for John McCarthy and Mark Relyea

The commission gave a commendation award to John McCarthy and Mark Relyea.

Agenda Item 14 – Public Comment on Items not on the Agenda

Steve Fossem, President of IKF - The IKF has been regulating amateur kickboxing worldwide since 1992. We have a lot of experience and officials and would love to assist in this process.

Regulation Language*

CALIFORNIA STATE ATHLETIC COMMISSION

Adopt Sections 424, 425 of Article 8 of Division 13.2 of Title 4 of the California Code of Regulations to read as follows:

ARTICLE 14. THERAPEUTIC USE EXEMPTION

§424. Requirements for Therapeutic Use Exemption (TUE)

- (a) It is each athlete's personal duty to ensure that no prohibited substance enters his or her body. Athletes are responsible for any Prohibited Substance or its Metabolites or Markers found to be present in their Samples. All athletes licensed by the commission may be required to submit to testing for prohibited substances at any time whether in or out of competition and whether or not they have a competition scheduled. Athletes with documented medical conditions requiring the use of a Prohibited Substance or a Prohibited Method in any event sanctioned by the commission or its authorized amateur sanctioning bodies shall request a Therapeutic Use Exemption (TUE) from the commission. The request shall be made by submitting to the commission an application for "Determination of Therapeutic Use Exemption" Form (form number) (New 12/2013).
- (b) This Article shall apply equally to foreign and non-resident athletes who are licensed by the commission.
- (c) "Prohibited substance" is defined as those substances specified in the Prohibited List of the World Anti-Doping Code, as promulgated by the World Anti-Doping Agency (WADA).
- (d) The Prohibited List shall be the most current list of prohibited substances. A list of prohibited substances may be provided to an athlete with the application for a TUE.
- (e) Athletes may apply to the commission for a TUE for any substance at any time. However, such applications must be complete and received by the commission at least twenty-one (21) days in advance of any use prohibited in sport. The time period required by this subdivision shall not apply to applicants applying for a retroactive approval.
- (f) Applications for a TUE will not be considered for retroactive approval except in cases where:
 - (1) Emergency treatment or treatment of an acute medical condition was necessary, or

(2) Exceptional circumstances existed, sufficiency of which shall be determined at the sole discretion of the commission.

(g) Each of the following shall accompany the application for Determination of Therapeutic Use Exemption:

(1) Medical work-up, which shall include:

- (a) Etiology based upon the treating physicians evaluation. For testosterone, the criteria established in the Therapeutic Use Exemption Guidelines, as promulgated by WADA, shall apply.
- (b) An evaluation by a board-certified physician in the appropriate medical field.
- (c) Patient medical history, which must be consistent with the standard of practice in the appropriate medical field relevant to the exemption requested. For testosterone, the endocrinologist must include all items listed in the current Therapeutic Use Exemption Guidelines, as published by WADA.
- (d) A physical exam, which must be consistent with the standard of practice in the appropriate medical field relevant to the exemption requested. For testosterone, the endocrinologist must include all items listed in the current Therapeutic Use Exemption Guidelines, as published by WADA.
- (e) A testing/laboratory evaluation, which must be consistent with the standard of practice in the appropriate medical field relevant to the exemption requested. For testosterone, the endocrinologist must include all items listed in the current Therapeutic Use Exemption Guidelines, as published by WADA.
- (f) Pre Fight - Lab data for the therapeutic agent in question. For testosterone or its equivalent and sex hormone binding globulin (SHBG), lab data levels drawn during the past 6 months prior to a fight including one value within one month of the fight. Athletes should not have testosterone levels above the normal range or SHBG levels below normal. If a value is found to be out of the normal range, the athlete's provider should take action to correct the level by repeating the lab and/or adjusting medication appropriately, which should be documented in the records submitted to the commission. Repeat elevated testosterone levels (x2) during the 6 months prior to the fight will

be grounds for disqualification evaluated on a case by case basis by the commission. The day prior to the fight, the athlete should submit the time, date, amount and method of the last dose of testosterone or other medication administered.

(g) Day of Fight – Lab data for the therapeutic agent in question. Agent specific levels shall be drawn on the day of Fight. For Testosterone its equivalent and SHBG level, will also be drawn on the day of Fight. Any level of testosterone above the normal range may subject the athlete to disciplinary action. Testosterone injections should be dosed appropriately to avoid peak levels above the normal range during testing.

- (2) A copy of the medical records in which the applicant's medical condition is well documented, which must reflect that the condition existed prior to any test for a TUE was performed;
 - (3) Declaration under penalty of perjury of a board certified physician in the appropriate field of medicine, in good standing, attesting that he/she has read and understood the requirements for a Therapeutic Use Exemption and the most current Therapeutic Use Exemption Guidelines as published by WADA, examined the athlete, and the athlete qualifies for an exemption. The most current Therapeutic Use Exemption Guidelines, may be provided to an applicant with the application for TUE. An applicant for a TUE shall bear the sole responsibility of providing the guidelines to their evaluating physician.
 - (4) A copy of the medical records in which the applicant's medical condition is well documented, which must reflect that the condition existed prior to the date any test for a TUE was performed;

 - (8) Method of administration;
 - (9) Duration of treatment;
 - (10) Name and contact details of the applicant's treating physician.

- (i) The commission shall determine based upon the facts and circumstances of the case there is no reasonable suspicion to the satisfaction of the commission the applicant used the substance for the purpose of enhancing his or her athletic performance.
- (j) If the athlete intends to compete further in any event or competition that may subject the athlete to drug testing by the commission, the athlete must apply for a separate TUE for any prohibited substance in advance of such event or competition in accordance with the provisions of this section.

Proposed Regulation Language*

CALIFORNIA STATE ATHLETIC COMMISSION

(1) Regular Account. "Regular Account" means the account maintained by the commission on the records of the Plan for each participating boxer representing allocations of contributions and forfeitures, adjusted for withdrawals, income, expenses and realized and unrealized gains and losses attributable thereto.

Each boxer's regular account shall be created as of the effective date of this restated Plan on May 1, 1996. An amount equal to the actuarial equivalent, or the present value of accrued benefit ("PVAB") of a participating boxer's benefit under the Boxer's Retirement Plan as of April 30, 1996 shall be allocated to the boxer's regular account on that date. This amount in the boxer's regular account shall be referred to as the participating boxer's "grandfathered PVAB balance."

(2) Refund Account. "Refund account" means an account maintained by the commission on the records of the Plan for each boxer who has incurred a break in service and who has made contributions to the Plan under the terms of this Article. Such account shall be created as a sub-account within the Pension Fund and shall exist until January 1, 2002, in accordance with the vesting provisions of this Plan.

(b) Accrued Benefit. "Accrued benefit" means the aggregate amount in all of a participating boxer's accounts and shall include the actuarial equivalent of any participating benefit under the Plan as of April 30, 1996.

(c) Actuarial Equivalent. "Actuarial equivalent" means the equivalent in value of the accrued benefit expected to be received based upon actuarial assumptions adopted from time to time by an enrolled actuary appointed by the commission.

"Break in service" occurs when a participating boxer fails to fight at least ten (10) scheduled rounds in California during any thirty-six (36) consecutive calendar months, after July 1, 1981, and prior to age 55. A participating boxer who suffers a break in service forfeits all credit earned for rounds fought up to that date unless such participating boxer is a covered boxer at the end of the plan year in which the break in service occurs. For purposes of this Article, a boxer's service in the armed forces of the United States in a time of war or national emergency shall not be counted in determining when a break in service occurs.

(h) Covered boxer. "Covered boxer" means a participating boxer who has satisfied the vesting requirements of section 405(a).

(i) Forfeiture. "Forfeiture" means the reallocation within the Plan of that portion of a participating boxer's regular account that is not vested prior to the date on which the boxer incurs a break in service.

(n) Vested. "Vested" means that the participating boxer or the participating boxer's beneficiary has an unconditional, nonforfeitable right in the participating boxer's accrued benefit.

§ 403. Funding And Contributions.

(a) Contributions.

Contributions shall be assessed as follows:

The promoter shall contribute 88 cents (\$.88) on every ticket, excluding a working complimentary ticket as described in Section 264, up to a maximum contribution of \$4,600 per show.

(b) Formula for Allocation of Contributions.

(1) One half (1/2) of the contributions for the plan year shall be allocated among the regular accounts of participating boxers who have not incurred a break in service as of the last day of the plan year in the proportion that each such boxer's scheduled rounds fought for the plan year bears to the total scheduled rounds fought in the plan year; and

(2) One half (1/2) of the contributions for the plan year shall be allocated among the regular accounts of participating boxers who have not incurred a break in service as of the last day of the plan year in the proportion that each such boxer's total purses for the plan year bears to the total purses paid for all fights fought by participating boxers in the plan year.

(c) Formula for Allocation of Forfeitures.

Contributions shall be allocated to each participating boxer's account on the last day of the plan year in the following proportions:

Forfeitures, excluding the 20% of forfeited amounts due to beneficiaries who have not claimed their pension pursuant to Section 405(d), which shall be set aside for future claims, which become available in a plan year for allocation shall be allocated to each participating boxer's account on the last day of the plan year in the following proportions:

(1) One half (1/2) of the remaining forfeitures shall be allocated among all regular accounts as of the last day of the plan year in the plan year in the proportion that each such regular account bears to the total regular accounts in the Plan; and

(2) One half (1/2) of the remaining forfeitures shall be added to the boxer, promoter and manager contributions for the plan year and shall be allocated among the regular accounts of participating boxers who have fought in the current plan year according to the formula set forth in subsection (b) above.

(d) Forfeiture Reserve Account Calculation and Allocation.

20% of all Beneficiary accounts forfeited pursuant to Section 405(d) shall be held in a separate account from which all reinstatement claims shall be paid. The size of the Forfeiture Reserve account shall be reviewed and adjusted at the discretion of the Commission pursuant to Section 404(b). The amount distributed to each Beneficiary who makes a claim subsequent to his or her 53rd birthday shall receive the accrued benefit as of his or her 50th birthday, as provided in Section 406(a), unadjusted for any subsequent gains. If the total pension benefit available for distribution shall decline in total amount from that point, then the benefit pension amount for the Beneficiary may be proportionally reduced.

~~(d)~~(e) Forfeiture and Reallocation of Unvested Amounts.

If any participating boxer incurs a break in service prior to becoming a covered boxer, then such participating boxer's regular account shall be held in a suspense account on the records of the Plan after incurring such break in service until such time as it shall be forfeited and reallocated.

Suspense account balances shall be forfeited and reallocated under the Formula set forth in subsection (c) above, as of the last day of the plan year following the plan year in which the participating boxer completes a break in service.

§ 404. Valuation And Earning.

(a) Valuation of The Pension Fund.

The assets of the pension fund shall be valued annually at fair market value on the last day of the plan year. The commission shall determine the net worth of the assets of the pension fund at their fair market value on the last day of the plan year.

(b) Audit of the Pension Fund.

The pension fund amount shall be subject to audit at least once every two calendar years to calculate:

(1) The amount in the fund for distribution;

(2) Fund income over the previous five years and as projected for the next five years;

(3) Existing obligations to those boxers: (i) who have vested; (ii) who have claimed their benefits prior to age 53; (iii) who remain eligible to claim amounts from the Forfeiture Reserve account; (iv) and projected boxers likely to vest for benefit status in the next five years.

The percentage and amount in the forfeiture reserve account shall be reviewed and adjusted upon completion of every such audit as appropriate.

~~(b)~~(c) Order of Adjustment.

Subject to the provisions governing allocations of contributions and valuation, the commission shall adjust the accounts as of the last day of the plan year as follows, in the order stated:

- (1) First, the accounts shall reflect proportionately any adjustment of fair market value of assets in the manner provided in subsection (c) below;
- (2) Second, the commission shall allocate proportionately any income or loss in the manner provided in subsection (c) below;
- (3) Third, the commission shall deduct all fees and expenses for the administration of the Plan;
- (4) Fourth, the commission shall allocate contributions in the manner provided in Section 403(b);
- (5) Fifth, the commission shall allocate forfeitures in the manner provided in Section 403(b).

~~(e)~~(d) Allocation Of Investment Results.

As of the last day of each plan year, the income or loss attributable to the assets of the pension fund, reduced by expenses incurred since the last day of the prior plan year, shall be allocated to the accounts of the participating boxers who had unpaid balances in their accounts as of such date in proportion to the balances in such accounts as of the last day of the prior plan year, after reducing such prior plan year balances by amounts withdrawn or distributed since the last day of the prior plan year, if any.

§ 405. Vesting.

(a) Vesting.

A participating boxer shall become vested in the amount credited to the participating boxer's regular account when the participating boxer has:

- (1) Fought in at least ten (10) scheduled rounds per calendar year during each of four (4) calendar years without an intervening break in service; and

(2) Has fought in at least seventy-five (75) scheduled rounds without a break in service.

(b) Scheduled Rounds for Vesting.

A participating boxer shall be credited for fighting in one (1) round for each scheduled round of professional boxing fought in California in a commission-approved bout as part of a contest in which at least one (1) round was commenced after June 30, 1978; provided however, that the boxer must fight in at least twenty (20) scheduled rounds in the thirty-six (36) calendar month period following July 1, 1981, in order to receive any credit for scheduled rounds fought beginning after June 30, 1978 but prior to July 1, 1981.

(c) Refund of Unvested Pre-1996 Boxer Contributions.

A separate refund account shall be created on the records of the Plan as of May 1, 1996, which shall contain all unvested boxer contributions made prior to May 1, 1996, for all boxers who have incurred a break in service as of April 30, 1996 under the terms of the Plan as it existed prior to such date. The commission will continue to invest and safeguard those assets within the investment vehicle in which it is investing the participating boxers and covered boxers accounts.

On or after May 1, 1996 a participating boxer who has not vested but who has contributed a portion of his purse (under the provisions of this Plan in this article in effect prior to May 1, 1996), and who has incurred a break in service may request a refund from the commission of the pre-1996 amounts contributed by him, plus 6% interest up to May 1, 1996 and plus his share of applicable earnings allocated to his account since that date. No boxer who has vested and become a covered boxer is eligible for such a refund. All amounts not claimed by these boxers before January 1, 2000, shall constitute forfeitures and shall be allocated in accordance with Section 403(c), in three (3) equal installments for the plan years ending December 31, 1999, December 31, 2000, and December 31, 2001.

(d) Lost Beneficiary.

If, according to the records of the commission, a participating boxer has reached age 50 and the participating boxer or his or her beneficiary has not made a claim for benefits, the participating boxer's accrued benefit shall be held until the last day of the third plan year after the participating boxer reached age 50, at which time it shall be reallocated pursuant to Sections 403(c) and 403(d); provided, however, that if a claim is later made by the participating boxer or beneficiary for the forfeited benefit, the commission shall reinstate the amount of the vested account balance that had been forfeited, unadjusted by any gains or losses attributable to such amount. Such reinstatement shall be made from ~~the contributions for such year of reinstatement, prior to the allocation of contributions to accounts for the year of reinstatement~~ the Forfeiture Reserve account pursuant to Section 403(d).

(e) Vesting of Pre-1996 Regular Account Balance.

Each participating boxer who is not a covered boxer as of May 1, 1996 shall continue to accrue credit towards vesting in his regular account balance under the terms of this Plan. In the event a participating boxer with a regular account balance attributable to pre-1996 contributions incurs a break in service before becoming a covered boxer, the portion of such boxer's regular account balance attributable to amounts other than boxer contributions, if any, shall be placed in the suspense account and shall be reallocated with other forfeitures under the terms of this restated Plan.

Such examination shall be taken at such time as directed by the commission. Any boxer licensed by the commission who participates in a boxing match or contest outside the State of California may be required, upon his return to California, to again take this examination before being allowed to box in California. The results of such contests shall be reported to the nearest commission office by the licensee within 72 hours of his return to California.

(b) An examination of an applicant or licensee may be accepted by the commission if it is performed by a physician authorized to perform such examinations by the state or nation in which the examination is conducted and if it is conducted in accordance with commission instructions, including the use of applicable forms prescribed by the commission.

(c) In accordance with section 18711 of the code, the commission shall collect from each promoter of professional matches licensed under the State Athletic Commission Act one hundred dollars (\$100) per event sanctioned by the Commission. The manner in which the assessment is collected shall be at the discretion of the commission and shall be deposited in and credited to the State Athletic Commission Neurological Examination Account and shall only be used to pay for the costs of examinations required by section 18711 or for any other purpose authorized by the State Athletic Commission Act.

AGENDA ITEM 16

*Discussion and Possible Action Regarding Status of Current Delegation
to USA Boxing*

Date: February 4, 2014

To: Ms. Martha Shen-Urquidez
Mr. Andy Foster
Mr. Spencer Walker
Ms. Mary Lehman

From: Lynette Smith, USA Boxing Assistant Executive Director

Re: USA Boxing Procedures for Implementing and Governing its Designation in California from the California State Athletic Commission (the "CSAC")

As a follow-up to our January 30th conference call, below please find an outline of USA Boxing's proposed procedures for implementing and governing its designation in California (the "Procedures"). We look forward to discussing these items with you further during our upcoming conference call.

1. Overall Governance

- a. USA Boxing has received the CSAC designation, and thus will oversee Amateur and Olympic Boxing in the State of California.
- b. USA Boxing will use its four (4) Local Boxing Committees ("LBCs") in California (Northern, Southern, Central and Border) to focus on the day-to-day activities in their respective geographic areas.
- c. LBCs will report to USA Boxing on matters discussed in these Procedures every thirty (30) days, and USA Boxing will, in turn, compile the information and report to the CSAC.
- d. Lynette Smith will be the designated USA Boxing employee in charge of overseeing these Procedures. Ms. Smith can be reached via email at lsmith@usaboxing.org or by phone at (719) 866-2311.

2. Implementation of Overall Governance

- a. Within sixty (60) to ninety (90) days, or sooner if possible, USA Boxing will conduct a thorough review of each LBC to determine their respective capabilities in a number of areas:
 - i. Financial;

1 Olympic Plaza · Colorado Springs, Colorado 80909
(719) 866-2300 · FAX: (719) 866-2310 · Website: www.usaboxing.org

- ii. Record keeping;
- iii. Sanctioning process;
- iv. Disciplinary reporting and processing;
- v. Enforcement of sanctions;
- vi. Enforcement of USA Boxing's Competition and Technical rules;
- vii. Injury and insurance claim reporting;
- viii. Training:
 - 1. Officials – includes training on inspections
 - 2. Coaches – includes training on inspections
- ix. Athlete verification; and
- x. Licensing.

- b. USA Boxing will also conduct a review of each LBC's bylaws and other governing documents to ensure compliance with applicable provisions in California Business & Professions Code Division 8, Chapter 2 ("Boxing, Wrestling, and Martial Arts") and California Code of Regulations Title 4, Division 2, Chapter 3 ("Amateur Boxing Rules").
- c. USA Boxing will issue reports to each California LBC (with a specific focus on the Central and Border LBCs) detailing areas in need of improvement, with specific recommendations and deadlines for implementation of necessary remedies. Deadlines are expected to be thirty (30) to sixty (60) days, but could be longer or shorter depending on the issue and the severity of the problem.
- d. USA Boxing will monitor the implementation of the remedies to ensure they are being done promptly.

3. On-Going Monitoring

- a. USA Boxing will require monthly filings from each California LBC in accordance with the CSAC Information Checklist, which Ms. Smith will review for compliance.
- b. Ms. Smith will work with the CSAC to develop a background check procedure that is in line with (i) the CSAC's expectations, (ii) USA Boxing's SafeSport Policy Handbook (per the requirements of the United States Olympic Committee), and (iii) USA Boxing's budget.

1 Olympic Plaza · Colorado Springs, Colorado 80909
(719) 866-2300 · FAX: (719) 866-2310 · Website: www.usaboxing.org

- c. Ms. Smith will conduct periodic, snap inspections of each California LBC (often with little advance notice) to check on compliance. Inspections will likely occur every four (4) to six (6) weeks and on an as-needed basis, with the hope that such snap inspections will become less frequent once all LBCs are in compliance. Ms. Smith will work with the CSAC to draft acceptable inspection checklists and related documents, and will use such checklists/documents during the periodic, snap inspections of each California LBC.
- d. USA Boxing may, as needed, order an LBC to take certain actions to correct any deficiencies.
- e. USA Boxing is also prepared to strip an LBC of its LBC status, if necessary. This has been done with two (2) other LBCs in different parts of the country.

4. Event Sanctioning

- a. Applications for sanctioning of events in California will be filed on standard USA Boxing forms. Most sanction applications are now submitted online. These forms are currently being modified for California.
- b. Applications will be filed with each LBC in a timely manner, along with the required sanctioning fee.
- c. Applications will be reviewed by both USA Boxing and the appropriate LBC, and approved by USA Boxing only where all requirements have been met.
- d. USA Boxing is working on a process to ensure, in accordance with California Business & Professions Code § 18705, that ringside physicians are identified to USA Boxing in writing prior to the event taking place.
- e. The modified California forms will include requirements for operation of the event and post-event reporting.
- f. LBCs will be required to verify the background and skill levels of all fighters to ensure proper matches. Initially, this will be done either through the USA Boxing Passbook System or through CAMO's online system, or both.
 - i. USA Boxing hopes to implement its own online system in the near future.

5. Reporting

- a. Each LBC will be responsible for ensuring that all event organizers file those materials listed on the CSAC's Event Packet Checklist.
- b. LBCs will be required to review the information provided for accuracy, thoroughness and compliance, including compliance with California Business and Professions Code § 18824 regarding financial reporting and fees on admissions.

- c. LBCs will then submit the materials to USA Boxing, where they will be reviewed by Ms. Smith.
- d. Ms. Smith will then be responsible for the appropriate filings with the CSAC.

6. Non-USA Boxing Events

- a. LBCs will be responsible for reporting non-USA Boxing-member sanctioned events to the CSAC so as to ensure compliance with California laws.
- b. Any violations observed by or reported to an LBC will be forwarded to USA Boxing and to the CSAC. It is anticipated that the CSAC will handle much of the disciplinary actions against non-USA Boxing members.

**SUBJECT: VIOLATION-TITLE 4 CODE OF REGULATIONS-DIVISION 2
STATE ATHLETIC COMMISSION-CHAPTER#1: PROFESSIONAL BOXING RULES 318.
BOTH GLOVES FOUND TO HAVE MISPLACED PADDING.**

SUMMARY OF INVESTIGATION

On September 20, 2013 at approximately 2035 hours, during the All-Star Boxing Promotion's second bout, Ricardo Rodriguez vs. Fernando Fuentes, Rodriguez' gloves were found to have insufficient padding upon the inspection by Referee Lou Moret just prior to the beginning of the bout.

Lead Inspector Mark Relyea, who was ringside, was summoned by Referee Lou Moret and requested to examine the gloves. He observed that the "Reyes" gloves had misplaced padding in the front end of both gloves. Relyea instructed Rodriguez to return to the locker room area to obtain a more suitable pair of gloves. The gloves were removed in the hallway by Chief Second Rodrigo Mosquera in the presence of Inspector Robert Judge and Relyea. Relyea retrieved both gloves and examined them. Relyea noted a significant reduction in padding in both gloves in the area that covers the fingers and lower knuckles. Relyea also noted that the padding in both gloves was lumped into a large mass on the inside-back portion of the gloves. It appeared that the misplaced padding would have interfered with the fighter's ability to slide his hand into the glove. Lead Inspector Relyea maintained possession of the gloves, securing them in a locked case.

Ricardo Rodriguez was provided a more suitable pair of gloves and taken back into the ring where he fought the second bout of the evening and won by a unanimous decision. There were no significant injuries reported in this bout.

Gilbert Nieves [REDACTED] is a tenured licensed Second with the California State Athletic Commission. He was contracted by All-Star Boxing Promotions to provide the boxing gloves for this event. Lead Inspector Relyea questioned him concerning the age and the condition of "Reyes" gloves that were provided to Ricardo Rodriguez.

Gilbert Nieves said that he did not provide the gloves in question to Ricardo Rodriguez. He stated that Chief Second Rodrigo Mosquera brought his own gloves claiming the "promoter" gave him permission to use his brand new "Reyes" gloves. Rodrigo Mosquera later claimed that Referee Lou Moret had given him expressed permission to use the gloves in question.

Gilbert Nieves stated that the gloves appeared brand new and were wrapped in plastic, so he was not concerned at the time about Ricardo Rodriguez using his own gloves.

Rodrigo Mosquera is a tenured license Second who was Ricardo Rodriguez's Chief Second. Lead Inspector Relyea questioned him about the age and the origin of the "Reyes" gloves he placed on Ricardo Rodriguez's hands. Rodrigo Mosquera stated that he brought the gloves which he had purchased at "Casa Prieto" in Los Angeles at about 2 pm the same day. He agreed to provide the commission with a receipt of the purchase at a later time. He said that he did not notice that the padding was faulty in the gloves. Mosquera stated that he removed the gloves from the plastic wrap in the presence of a Commission representative and placed them on Rodriguez's hands. He denied skinning the gloves or manipulating the padding at any time. He also denied realizing that there was something wrong with the gloves until they were removed in the hallway from Rodriguez's hands. When asked, Mosquera had no explanation for his inability to determine that there was something wrong with the gloves during the warm-up of Rodriguez.

Lead Inspector Relyea instructed Rodrigo Mosquera to provide him with the plastic packaging used to wrap the "Reyes" gloves. Rodrigo Mosquera who still had the wrap in the dressing room retrieved it and turned it over to Relyea who collected it. Upon examining the clear plastic wrap it appears that it had been neatly cut open from the top and side seam.

After the show, Promoter Ed Holmes was questioned about this incident by Relyea. After being advised of the problem with the gloves, Holmes denied giving Rodrigo Mosquera or anyone else permission to use their own gloves.

Match Maker Pete Hironaka was also questioned about this incident by Relyea. Pete Hironaka said that there were gloves provided for every fight and he denied giving Rodrigo Mosquera or Ricardo Rodriguez permission to use their own gloves.

Lead Inspector Relyea attempted to locate Ricardo Rodriguez and his other corner personnel, Gloria Mosquera and Ruben Chavez to question them about this incident. However they could not be located.

Mike Rodriguez is a tenured licensed Second who is frequently contracted to serve as a cut man. He is also employed as a Homicide Sergeant for the Los Angeles County Sheriff's Department. He was hired as a cut man for Ricardo Rodriguez and was in the corner when the gloves were discovered to be faulty.

Lead Inspector Relyea questioned Mike Rodriguez about the gloves. Mike Rodriguez said that he was also working with other fighters. He was present for a portion of Rodriguez's hand wrapping which was done by Rodrigo Mosquera but was not present when the gloves were put on. He noticed that the "Reyes" gloves appeared to be wrapped in plastic before they were used and did not see anyone tamper with them. Mike Rodriguez stated that he did not touch the gloves and did not notice anything wrong with them. Mike Rodriguez said that he does not believe that anyone in Rodriguez's corner altered the gloves.

Inspector Chris Crail supervised the hand wrapping and gloving of Rodriguez.

Inspector Crail first became aware of the gloves in question when he noticed they were a different color from the other gloves in the room. He asked Gilbert Nieves who was handing out the gloves for the promotion, why Rodriguez' gloves were black while the rest of the gloves were red in color. Gilbert Nieves told Crail that Rodriguez had his own gloves with the promoter's permission. Inspector Crail accepted this information and noticed that the gloves appeared to be wrapped in plastic. Inspector Crail inspected the gloves quickly, noting that the thumb was connected and the laces were good. The padding on the knuckle area appeared normal. Later, after Rodriguez placed his hands in the gloves, Crail taped the gloves. While he did this, Crail recalled Rodrigo Mosquera held the end of the gloves with one hand over the finger area and the other hand over the palm area of the glove. Initially Inspector Crail did not recognize this was significant. However, in retrospect, after seeing the displaced padding in the gloves, Inspector Crail believes that this may have been done to block his view of the displaced padding during the taping process.

Inspector Chris Crail left the dressing room to take the first bout into the ring. Volunteer Inspector Robert Judge was left in the locker room along with Inspector Joe Borreli. When Inspector Chris Crail returned, he saw Robert Judge staged with Ricardo Rodriguez. A few moments later Robert Judge escorted Ricardo Rodriguez to the ring.

Robert Judge is an applicant to the inspector position. He was working as a volunteer. Robert Judge is an experienced amateur boxer and is very familiar with boxing equipment. This was his third training show.

Robert Judge was questioned about someone manipulating the gloves Rodriguez was wearing. Judge stated that he was left to watch all of the fighters in the red corner after Chris Crail escorted the first fight into the ring. While his attention was not exclusively on Ricardo Rodriguez, Judge does not believe that the gloves were tampered with during this time period. Robert Judge escorted Rodriguez into the ring. He said the misplaced padding in the gloves was undetectable until Referee Lou Moret turned Rodriguez's hands upright and squeezed the end of the gloves. At that point, both he and Referee Moret were immediately aware of the inadequate padding in the end of the gloves.

Referee Lou Moret spoke to lead Inspector Relyea after this event. He denied giving Mosquera permission to use gloves which were not provided by the promotion. He stated that based on the experience level of the Rodrigo Mosquera and the obvious inadequate padding to the gloves, he was having a hard time believing that Ricardo Rodriguez and his corner personnel did not recognize the inadequate padding in the gloves. Referee Moret said that the use of the gloves in the condition he found them would have led to a potential serious injury to the other fighter.

Note:

A close examination of the "Reyes" gloves by Relyea revealed that it is difficult to see the altered padding when the gloves are laces down. However, when the gloves are laces up, it becomes very obvious that there is an area approximately 2 ½ inches from the tip of each glove that is missing most of the padding.

It is necessary to look inside the glove underneath the laces to see the lump of padding approximately 2" high between the thumb and wrist area in each glove.

Please see the attached photographs taken on 9/21/13 by Lead Inspector Relyea.

A chain of custody report for the gloves and wrapping is included with this memorandum.

Athletic Inspector Raul Oseguera who speaks fluent Spanish was instructed to conduct interviews of the boxer Ricardo Rodriguez and corner person Gloria Mosquera, the wife of Chief Second-Rodrigo Mosquera and the representatives of Deportes Prieto, Inc. where the gloves in questioned were reported to have been purchased.

On 10/08/13 Raul Oseguera interviewed Ricardo Rodriguez and Gloria Mosquera regarding the gloves in question. Both interviews took place at the boxing gym of the Mosquera's located at 1053 N. Maclay Avenue, San Fernando, CA 91340.

Ricardo Rodriguez stated that this was his first fight in this country as a professional after having eight professional fights in Mexico. In all eight fights he wore "Cleto Reyes" gloves. He stated that he was unaware that his trainer, Rodrigo Mosquera purchased new "Cleto Reyes" gloves for this event. He stated that he arrived late to the event and was told by an inspector to get dressed right away, he was the second bout. He saw the "Cleto Reyes" gloves he wore wrapped in plastic. Someone handed them to an Inspector (unknown) who approved them. Later they were placed on his hands in front of two inspectors by Rodrigo Mosquera. Ricardo Rodriguez said that the gloves felt tight going on his hands, he believed it was related to his hand wraps which is common. Rodriguez said that the gloves did not feel any different then the gloves he wore in his first eight fights in Mexico.

Rodriguez said that when he was in the ring, the referee felt the gloves and noticed that they were too small and the fingers could be felt through the padding. Rodriguez said that in retrospect, he believes that the referee was correct about the gloves and the decision to have them changed. However, initially he felt the gloves were fine since the knuckles were sufficiently padded.

Note: See the Investigation Report of the Interview of Ricardo Rodríguez submitted by Raul Oseguera.

Gloria Mosquera stated that her husband learned that the promoter was providing a brand of gloves that were not satisfactory. Since his fighters only use "Cleto Reyes", "Grants" or "Everlast", her husband asked the promoter Ed Holmes, Gilbert Nieves and the Lead Inspector if his fighter could use "Cleto Reyes" gloves. Gloria Mosquera stated that all three of them said okay.

Gloria Mosquera provided a copy of her receipts for the "Cleto Reyes" boxing gloves purchased at Deportes Prieto, Inc. She stated that she purchased the gloves with her husband at approximately 5:30 PM on the same day of the fight. Her husband had car trouble so they were

picked up by Ricardo Rodriguez and driven to the fight. She stated that the gloves remained in the plastic packaging until she handed them to her husband who handed them to Gilbert Nieves who handed them to the Inspector. She stated that after Rodriguez had his hands wrapped the gloves were put on his hands in the presence of an Inspector. Gloria Mosquera said that she thinks Lou Moret inspected the gloves during his instructions, however she is not sure.

Note: See the Investigation Report of the Gloria Mosquera interview submitted by Raul Oseguera.

Based on the interview of Gloria Mosquera, Lead Inspector Relyea directed Raul Oseguera to interview Gilbert Nieves, known as "Candyman" to determine if he gave Rodrigo Mosquera permission to use the "Cleto Reyes" gloves he provided for his fighter.

On 10/15/13 Gilbert Nieves was interviewed in his home by Raul Oseguera.

Nieves stated that at the weigh-in he was asked by Mosquera if he could bring "Cleto Reyes" gloves and he had informed Mosquera that he had to have approval from the commission. Later Mosquera told Nieves that the "commission" approved the use of Reyes gloves.

Nieves later reported approaching Lead Inspector Relyea who was doing paperwork alone at a desk and asking him if a trainer could bring his boxing gloves to the fight. Nieves stated that he was told that it was okay as long as the gloves were the same weight.

Nieves stated that Rodrigo Mosquera and Ricardo Rodriguez arrived late to the venue. Mosquera approached Nieves and asked if it was okay with the commission for his fighter to use the "Cleto Reyes." Nieves saw that the gloves were wrapped in plastic and appeared new. Nieves answered "yes."

Nieves made no mention of asking Promoter Ed Holmes or Pete Hironaka if Ricardo Rodriguez was allowed to use the "Cleto Reyes" gloves or if he was allowed to provide his own gloves for this event.

Note: Lead Inspector Relyea specifically recalled being asked by Rodrigo Mosquera if Ricardo Rodriguez could use "Reyes" gloves. The question was asked during the licensing process. Inspector Joe Borrielli was sitting next to Relyea. Joe Borelli answered first. He stated that it was up to the promoter. Relyea also told Mosquera that the promoter will decide what gloves are to be used unless a specific brand is designated in the contract. Lead Inspector Relyea does not recall any mention of Mosquera providing the gloves himself.

Relyea has no recollection of a conversation with Nieves about this issue on the day of the weigh-in. It is the promotion's responsibility to provide suitable gloves for an event. The Inspectors are responsible to approve their usage after inspecting the gloves for serviceability and safety.

318. Violation of Laws and Rules

Lead Inspector Relyea's Report

Carmen Prieto and Pedro Prieto manage Deportes Prieto, Inc. They were interviewed by Raul Oseguera on 10/16/13 concerning the purchase of a pair of "Cleto Reyes" gloves on September 20, 2013.

Carmen Prieto recognized the wrapping of the gloves shown to her by Raul Oseguera as a similar type wrapping used to wrap the "Cleto Reyes" gloves sold from her store. She validated the receipt as accurate and stated that her husband actually sold the gloves to Gloria Mosquera who was with Rodrigo Mosquera.

Carmen Prieto stated that the gloves in question could not have been purchased at 5:30 pm on Friday. They close their store at 5 PM and the gloves were purchased before that.

Pedro Prieto confirmed he wrote the receipt. He estimated the time to be around 2 to 3 PM. September 20, 2013. He remembered the couple who purchased the gloves. He gave them a discount on the gloves because of the relationship with the promoter Ed Holmes. Pedro Prieto was shown a picture of the gloves in question. He stated that the gloves appear to be flat. He had no explanation. He stated that the gloves in the pictures were altered or defective. He stated that he has never seen gloves that look like that in his store.

INVESTIGATION REPORT

DATE: October 08, 2013

ASSIGNED TO: Raul Oseguera, Athletic Inspector 

SUBJECT: TITLE 4 CODE OF REGULATIONS-DIVISION 2
STATE ATHLETIC COMMISSION-CHAPTER#1: PROFESSIONAL BOXING RULES 318.

On 10/08/13 Athletic Inspector Raul Oseguera visited the boxing gym of Gloria Mosquera located at [REDACTED] Gloria Mosquera and Ricardo Rodriguez were present. Mr. Rodriguez and Ms. Mosquera verified their identity by displaying their California drivers' license. Oseguera interviewed Mr. Rodriguez and Ms. Mosquera individually. Their statements are summarized as follows:

Ricardo Rodriguez:

My name is Ricardo Jesse Rodriguez. I live at [REDACTED]
[REDACTED]

I was born in [REDACTED] At age thirteen, I began to box and had 45 amateur fights.

At age 19, I came to live in the United States with my mother. I continued my amateur career with Mr. Rodrigo Mosquera as my trainer and competed in the National Golden Glove tournament.

Thereafter, I returned to Mexico and turned pro. I fought eight professional fights, each with Cleto Reyes gloves. I like the gloves because they are very comfortable.

After my eighth fight, I returned to the United States and reunited with Rodrigo. My first professional fight in the United States was on September 20, 2013 at Montebello, California.

On that day, I drove to the venue with my trainers, Rodrigo and Gloria Mosquera. We talked about my strategy for the fight. We didn't talk about the type or brand of glove I was going to

use during the fight. I wasn't aware that my trainers had previously purchased new gloves for me to use during the fight.

We arrived at the venue at approximately 6:15pm. We were late and were told by the commissioner (Inspector) to get ready as I was scheduled to fight the second bout. During this time, I became aware of the new Cleto Reyes gloves I was to wear during the fight. I saw someone from my corner hand the gloves, which were wrapped with plastic, to a commissioner (Inspector) upon his request. I don't recall who gave the gloves to the commissioner (Inspector) as I was getting ready to fight. The commissioner (Inspector) inspected and approved the gloves. After Rodrigo wrapped my hands, he put the new Cleto Reyes gloves on my hands while two commissioners (Inspectors) observed. The commissioners approved the gloves and taped them up.

When the gloves were put on my hands, they did feel a little tight. However, that is common when wraps are on your hands. The gloves did not feel different from the Cleto Reyes gloves that I wore during my first eight professional fights in Mexico.

In the ring before the fight, the referee felt the gloves and said that they were too small and my fingers could be felt. I was confused.

I was immediately taken off the ring by the commissioner (Inspector) and given different gloves to wear. The second pair of gloves felt bigger and appeared to have more padding. I think the second pair of gloves was bigger because they were a different brand.

Note: During the interview, Inspector Oseguera asked Mr. Rodriguez to examine photos taken by Lead Inspector Mark Relyea dated 9/21/13 (Exhibit 1). Oseguera also asked Mr. Rodriguez to compare the photos to a used Cleto Reyes glove owned by Mrs. Mosquera. Mr. Rodriguez's statements are summarized as follows:

I do see a difference between the gloves depicted in the photo and the used glove owned by Ms. Mosquera. The finger area of the glove in the photo appears to have less padding. I do not notice any other difference, as the padding in the inside-back portion of the gloves appear to be the same in both gloves.

In my opinion, any difference between the new Cleto Reyes gloves depicted in the photograph and the used Cleto Reyes glove owned by Ms. Mosquera originated from the manufacturer.

If I had a choice, I would prefer Mrs. Mosquera's old Cleto Reyes glove over the new Cleto Reyes glove depicted in the photo because the old glove has more padding in the finger area.

In retrospect, I think the referee was correct in requiring me to change gloves. However, I originally thought the gloves were fine, since the knuckles were sufficiently padded.

Note: Inspector Oseguera took a photo of the used Cleto Reyes glove with the photo taken by Mark Relyea (Exhibit 2).

Interview Gloria Mosquera

Gloria Mosquera:

Note: Inspector Oseguera photographed Mrs. Mosquera's receipt for the purchase of new Cleto Reyes boxing gloves, since she did not have a copy (Exhibit 3).

My name is Gloria Mosquera. I live at [REDACTED]
[REDACTED] I am the owner of this boxing gym.

I have been in the fighting game all my life. I was a kick-boxer and my uncle was a seven time world champion. I have also been an amateur trainer for years.

My favorite brand of boxing glove is "Winning" and "Cleto Reyes." They feel small and tight.

My husband, Rodrigo, trains Ricardo Rodriguez.

On September 20, 2013, at approximately 5:30 p.m., my husband and I went to Deportes Prieto Inc., in Los Angeles, and I purchased new Cleto Reyes gloves for Ricardo Rodriguez. The gloves were packaged in plastic, unopened. Ricardo was to use them for his fight that evening.

My husband knew of Deportes Prieto Inc. because they have been in the Los Angeles community for approximately 40 years. They are located near Hollenbeck gym and are known by the boxing community.

Note: Mrs. Mosquera displayed a picture on her phone depicting a display case full of boxing gloves wrapped in plastic. She stated that the picture represented the display case at Deportes Prieto Inc.

The day before, during the weigh-in, it was announced that Candyman (Gilbert Nieves) was going to supply the boxing gloves for the fighters. Candyman then announced that he was going to bring "Ring Side" brand boxing glove.

My husband then asked if it was acceptable to bring our own gloves, since our fighters only use "Reyes," "Grant," or "Everlast." The promoter, Ed Holmes, Candyman, and the Lead Inspector, all said "Well, if he accepts it and if he accepts it, then it's okay."

After purchasing the gloves, my husband and I had car problems. We had to get a ride from Ricardo to the venue.

We arrived at the venue late and were told to get ready because Ricardo was the second bout. Two other cornermen joined our team. They were Mike and Ruben. I don't know their last names.

As we were preparing for the fight, I handed the unopened package containing the new gloves to my husband. He handed the package to Candyman. I then saw my husband hand the package to an inspector for his approval. I do not recall the inspector's name. I also believed that the referee, Lou Moret, inspected the gloves and approved them.

After the gloves were approved by the inspector and the referee, my husband put them on Ricardo in the presence of an inspector. The inspector then put tape on the gloves.

Immediately after entering the ring, I saw the referee take Ricardo out of the ring. I was confused. I didn't know what was going on. Ricardo was taken into the lobby area and his gloves were taken off. Different gloves were put on. I asked my husband what was going on.

I realized that there was a problem with our gloves when I observed an inspector speaking to my husband about the gloves.

Note: During the interview, Inspector Oseguera asked Mrs. Mosquera to examine photos taken by Lead Inspector Mark Relyea dated 9/21/13 (See exhibit 1). Oseguera also asked Mr. Rodriguez to compare the photos to her own used Cleto Reyes glove. Mrs. Mosquera's statements are summarized as follows:

I do see a difference between my used Cleto Reyes glove and the new Cleto Reyes gloves that I purchased the day of the fight. The new glove appears to have less padding in the finger area. I don't know why they are different. They may have been manufactured differently, since my used glove was made in 2009. Or, my old glove may appear fluffier since I do stuff the inside of the glove from time to time. My used glove does not have stuffing at this time.

I would like the Athletic Commission to reimburse the cost of the gloves, since they were taken from us at the event.

INVESTIGATION REPORT

DATE: October 15, 2013

ASSIGNED TO: Raul Oseguera, Athletic Inspector 

SUBJECT: TITLE 4 CODE OF REGULATIONS-DIVISION 2
STATE ATHLETIC COMMISSION-CHAPTER#1: PROFESSIONAL BOXING RULES 318.

On 10/15/13 Athletic Inspector Raul Oseguera interviewed Gilbert Nieves at his home located at  Mr. Nieves verified his identity by displaying his California drivers' license. Mr. Nieves' statements are summarized as follows:

My name is Gilbert Nieves. I am also known as "Candyman." My phone number is 

I have been licensed as a Second and Cutman by the California Athletic Commission for approximately six years.

I also supply boxing gloves to promoter, Ed Homes (Ed), for his boxing shows. He pays me a fee. The gloves are owned by Willie Schunke. Willie is also licensed by the Athletic Commission.

On Thursday, September 19, 2013, I attended the weigh-in for Ed's event at the Quiet Cannon in Montebello. Ed and his assistant, Pete, were there. Mark and Joe from the Commission were also there.

During the weigh-in, Ed made an announcement to the fighters that I was going to supply the gloves for the event. I'm not sure if he mentioned that I was going to bring "Ring-Side" gloves, as those are the brand of gloves that I always take to his events.

Shortly after the announcement, Rodrigo Mosquera (Mosquera) approached me and asked if he could bring "Cleto Reyes" gloves to the event. I explained that he needed to get approval from the Commission. Mosquera later told me that he received permission. I think the promoter gave him permission. I'm not sure.

I then approached Mark, as he was alone doing a lot of paper work. I told him that a trainer asked if he could bring his boxing gloves to the fight. Mark told me that it was "ok" as long as the gloves were the correct size for the fighter's weight. No one else was involved in our conversation.

I did not think much of Mark's response, because in the past, I have seen fighters use their own gloves during fights with the permission of an inspector. This is a common practice at big and small events.

On Friday, September 20, 2013, I arrived at the venue with my son at approximately 5 p.m. I handed each fighter a pair of gloves as they arrived.

As Mosquera and his fighter arrived late to the venue, he approached me and asked if it was ok with the Commission for his fighter to use his gloves. I said 'yes.' Mosquera then showed me new Cleto Reyes gloves. They were in an unopened plastic package. He told me that he paid approximately \$125.00. I did not touch or handle the gloves.

I then began wrapping other fighter's hands and did not see Mosquera glove his fighter.

Before Mosquera's fighter was taken to the ring, I remember him telling me that the gloves were approved by the referee, Lou Moret, and an inspector.

I vaguely remember speaking with Chris, the Commission's inspector, about Mosquera's gloves before and after the fight. Chris may have asked me if the gloves were approved and I may have said "yes."

Shortly after Mosquera's fighter was taken to the ring, my son came running into the dressing room and asked me for a pair of gloves. He explained that the commission did not allow Mosquera's fighter to fight with their gloves.

After the event, I was told that Mark wanted to speak to me. I met with him at ringside and he asked me if I gave Mosquera permission to use his gloves. I reminded Mark that he gave me approval the day before at the weigh-in. Mark then snapped at me, saying "I never said that! Why would I say something like that?!" I was very surprised at his response and told him 'ok' and left it at that.

INVESTIGATION REPORT

DATE: October 17, 2013

ASSIGNED TO: Raul Oseguera, Athletic Inspector 

SUBJECT: TITLE 4 CODE OF REGULATIONS-DIVISION 2
STATE ATHLETIC COMMISSION-CHAPTER#1: PROFESSIONAL BOXING RULES 318.

On 10/16/13 Athletic Inspector Raul Oseguera visited Deportes Prieto Inc. located at 1832 E. First Street, Los Angeles, Ca. Oseguera interviewed Carmen Prieto and her brother, Pedro Prieto. Their statements are summarized as follows:

Carmen Prieto:

My name is Carmen Prieto. I am the Assistant Manager of Deportes Prieto Inc. (*Exhibit 1*). My father has owned this business for approximately 37 years. He is now retired.

Our business is a sporting goods store. We sell sporting equipment, uniforms, and trophies. We are also an authorized vendor for Cleto Reyes boxing gloves.

Note: Inspector Oseguera asked Ms. Prieto to examine a photograph taken on 10/08/13. The photo depicts Mrs. Gloria Mosquera's receipt No. 3702 for the purchase of new Cleto Reyes Boxing gloves (Exhibit 2, one page).

Ms. Prieto's statements are summarized as follows:

I do recognize the purchase receipt No. 3702 as depicted by the photograph you have shown to me. I also recognize the writing on the receipt as it was prepared by my brother on 9/20/13 for the purchase of 8 ounce black Cleto Reyes gloves in the amount of \$120.00. I have the original receipt and will give you a copy (*Exhibit 3, one page*).

I also have original receipt No. 3701 which was written on 9/19/13 and original receipt No. 3704 which was written on 9/20/13. I cannot locate receipt No. 3703, as it may have been voided. As you can see, the numerical sequence is correct (*Exhibit 4, one page*).

Note: Inspector Oseguera asked Ms. Prieto to examine a photograph taken by Lead Inspector Mark Relyea on 9/21/13. The photo depicts the plastic wrapping which contained the new gloves owned by Mrs. Gloria and Rodrigo Mosquera (Exhibit 5, one page).

Ms. Prieto's statements are summarized as follows:

I do recognize the plastic wrapping with the Cleto Reyes sticker as depicted by the photograph you have shown to me, as all of our new Cleto Reyes gloves are wrapped with the same. The bar code on the sticker is printed by the manufacture. We do not use it in any way.

Note: Inspector Oseguera photographed two pair of new Cleto Reyes gloves provided by Ms. Prieto. The gloves were wrapped in plastic and each had a Cleto Reyes sticker (Exhibit 6, five pages).

Pedro Prieto:

My name is Pedro Prieto. I am the Manager of Deportes Prieto Inc. (*Exhibit 7, one page*).

On Friday, September 20, 2013, a lady and a man came into our store at approximately 2 or 3 p.m. and stated that they needed 8 ounce Cleto Reyes boxing gloves. I distinctively remember them because they said that their fighter was going to fight that evening on a boxing card promoted by Ed Homes. I have known Ed Homes for years, as our store supplied him with boxing gloves in the past.

Our store closes at 5:00 p.m. on weekdays and on 2:00 p.m. on weekends. They could not have come in after 5:00 p.m. on Friday, September 20.

New Cleto Reyes boxing gloves are priced at \$135.00. However, I gave them a discount and sold them for \$120.00 because of their association with Ed Homes. The lady paid me in cash. The gloves that I sold them were new 8 ounce black Cleto Reyes gloves. They were wrapped in plastic.

Note: Inspector Oseguera asked Mr. Prieto to examine a photograph taken by Lead Inspector Mark Relyea on 9/21/13. The photo depicts the plastic rapping which contained the new gloves owned by Mrs. Gloria and Rodrigo Mosquera (Exhibit 5, one page).

Mr. Prieto's statements are summarized as follows:

The photograph you have shown me does look like the plastic wrapping on our new gloves.

I wrote the transaction on receipt No. 3702. All of the lettering and numbers on the receipt are mine.

Note: Inspector Oseguera asked Mr. Prieto to examine a photograph taken by Lead Inspector Mark Relyea on 9/21/13. The photo depicts the glove purchased by Mr. and Mrs. Mosquera (Exhibit 8, one page).

Mr. Prieto's statements are summarized as follows:

The photograph you have shown me depicts a glove that appears to be "flat." I have no explanation why it looks that way. It may be defected or altered. I have never seen a glove that looks like that in all my years working here.

GLOVES-USED WITHOUT THE PERMISSION OF THE COMMISSION OR THE
PROMOTER – BOTH GLOVES FOUND TO HAVE MISPLACED PADDING.**

On September 20, 2013 at approximately 2035 hours, during the All-Star Boxing Promotion's second bout, Ricardo Rodriguez vs. Fernando Fuentes, Rodriguez' gloves were found to have insufficient padding upon the inspection by Referee Lou Moret just prior to the beginning of the bout.

Lead Inspector Mark Relyea, who was ringside, was summoned by Referee Lou Moret and requested to examine the gloves. He observed that the "Reyes" gloves had misplaced padding in the front end of both gloves. Relyea instructed Rodriguez to return to the locker room area to obtain a more suitable pair of gloves. The gloves were removed in the hallway by Chief Second Rodrigo Mosquera in the presence of Inspector Robert Judge and Relyea. Relyea retrieved both gloves and examined them. Relyea noted a significant reduction in padding in both gloves in the area that covers the fingers and lower knuckles. Relyea also noted that the padding in both gloves was lumped into a large mass on the inside-back portion of the gloves. It appeared that the misplaced padding would have interfered with the fighter's ability to slide his hand into the glove. Lead Inspector Relyea maintained possession of the gloves, securing them in a locked case.

Ricardo Rodriguez was provided a more suitable pair of gloves and taken back into the ring where he fought the second bout of the evening and won by a unanimous decision. There were no significant injuries reported in this bout.

Gilbert Nieves [REDACTED] is a tenured licensed Second with the California State Athletic Commission. He was contracted by All-Star Boxing Promotions to provide the boxing gloves for this event. Lead Inspector Relyea questioned him concerning the age and the condition of "Reyes" gloves that were provided to Ricardo Rodriguez.

Gilbert Nieves said that he did not provide the gloves in question to Ricardo Rodriguez. He stated that Chief Second Rodrigo Mosquera brought his own gloves claiming the "promoter" gave him permission to use his brand new "Reyes" gloves. Rodrigo Mosquera later claimed that Referee Lou Moret had given him expressed permission to use the gloves in question.

318. Violation of Laws and Rules

Lead Inspector Relyea's Report

Gilbert Nieves stated that the gloves appeared brand new and were wrapped in plastic, so he was not concerned at the time about Ricardo Rodriguez using his own gloves.

Rodrigo Mosquera is a tenured license Second who was Ricardo Rodriguez's Chief Second. Lead Inspector Relyea questioned him about the age and the origin of the "Reyes" gloves he placed on Ricardo Rodriguez's hands. Rodrigo Mosquera stated that he brought the gloves which he had purchased at "Casa Prieto" in Los Angeles at about 2 pm the same day. He agreed to provide the commission with a receipt of the purchase at a later time. He said that he did not notice that the padding was faulty in the gloves. Mosquera stated that he removed the gloves from the plastic wrap in the presence of a Commission representative and placed them on Rodriguez's hands. He denied skinning the gloves or manipulating the padding at any time. He also denied realizing that there was something wrong with the gloves until they were removed in the hallway from Rodriguez's hands. When asked, Mosquera had no explanation for his inability to determine that there was something wrong with the gloves during the warm-up of Rodriguez.

Lead Inspector Relyea instructed Rodrigo Mosquera to provide him with the plastic packaging used to wrap the "Reyes" gloves. Rodrigo Mosquera who still had the wrap in the dressing room retrieved it and turned it over to Relyea who collected it. Upon examining the clear plastic wrap it appears that it had been neatly cut open from the top and side seam.

After the show, Promoter Ed Holmes was questioned about this incident by Relyea. After being advised of the problem with the gloves, Holmes denied giving Rodrigo Mosquera or anyone else permission to use their own gloves.

Match Maker Pete Hironaka was also questioned about this incident by Relyea. Pete Hironaka said that there were gloves provided for every fight and he denied giving Rodrigo Mosquera or Ricardo Rodriguez permission to use their own gloves.

Lead Inspector Relyea attempted to locate Ricardo Rodriguez and his other corner personnel, Gloria Mosquera and Ruben Chavez to question them about this incident. However they could not be located.

Mike Rodriguez is a tenured licensed Second who is frequently contracted to serve as a cut man. He is also employed as a Homicide Sergeant for the Los Angeles County Sheriff's Department. He was hired as a cut man for Ricardo Rodriguez and was in the corner when the gloves were discovered to be faulty.

Lead Inspector Relyea questioned Mike Rodriguez about the gloves. Mike Rodriguez said that he was also working with other fighters. He was present for a portion of Rodriguez's hand wrapping which was done by Rodrigo Mosquera but was not present when the gloves were put on. He noticed that the "Reyes" gloves appeared to be wrapped in plastic before they were used and did not see anyone tamper with them. Mike Rodriguez stated that he did not touch the gloves and did not notice anything wrong with them. Mike Rodriguez said that he does not believe that anyone in Rodriguez's corner altered the gloves.

Inspector Chris Crail supervised the hand wrapping and gloving of Rodriguez.

Inspector Crail first became aware of the gloves in question when he noticed they were a different color from the other gloves in the room. He asked Gilbert Nieves who was handing out the gloves for the promotion, why Rodriguez' gloves were black while the rest of the gloves were red in color. Gilbert Nieves told Crail that Rodriguez had his own gloves with the promoter's permission. Inspector Crail accepted this information and noticed that the gloves appeared to be wrapped in plastic. Inspector Crail inspected the gloves quickly, noting that the thumb was connected and the laces were good. The padding on the knuckle area appeared normal. Later, after Rodriguez placed his hands in the gloves, Crail taped the gloves. While he did this, Crail recalled Rodrigo Mosquera held the end of the gloves with one hand over the finger area and the other hand over the palm area of the glove. Initially Inspector Crail did not recognize this was significant. However, in retrospect, after seeing the displaced padding in the gloves, Inspector Crail believes that this may have been done to block his view of the displaced padding during the taping process.

Inspector Chris Crail left the dressing room to take the first bout into the ring. Volunteer Inspector Robert Judge was left in the locker room along with Inspector Joe Borrelli. When Inspector Chris Crail returned he saw Robert Judge staged with Ricardo Rodriguez. A few moments later Robert Judge escorted Ricardo Rodriguez to the ring.

Robert Judge is an applicant to the inspector position. He was working as a volunteer. Robert Judge is an experienced amateur boxer and is very familiar with boxing equipment. This was his third training show.

Robert Judge was questioned about someone manipulating the gloves Rodriguez was wearing. Judge stated that he was left to watch all of the fighters in the red corner after Chris Crail escorted the first fight into the ring. While his attention was not exclusively on Ricardo Rodriguez, Judge does not believe that the gloves were tampered with during this time period. Robert Judge escorted Rodriguez into the ring. He said the misplaced padding in the gloves was undetectable until Referee Lou Moret turned Rodriguez's hands upright and squeezed the end of the gloves. At that point, both he and Referee Moret were immediately aware of the inadequate padding in the end of the gloves.

Referee Lou Moret spoke to lead Inspector Relyea after this event. He denied giving Mosquera permission to use gloves which were provided by the promotion. He stated that based on the experience level of the Rodrigo Mosquera and the obvious inadequate padding to the gloves, he was having a hard time believing that Ricardo Rodriguez and his corner personnel did not recognize the inadequate padding in the gloves. Referee Moret said that the use of the gloves in the condition he found them would have led to a potential serious injury to the other fighter.

Note:

A close examination of the "Reyes" gloves by Relyea revealed that it is difficult to see the altered padding when the gloves are laces down. However, when the gloves are laces up, it becomes very obvious that there is an area approximately 2 ½ inches from the tip of each glove that is missing most of the padding.

It is necessary to look inside the glove underneath the laces to see the lump of padding approximately 2" high between the thumb and wrist area in each glove.

Please see the attached photographs taken on 9/21/13 by Lead Inspector Relyea.

RECOMMENDATIONS:

I recommend a further investigation be conducted to determine if significant violations of rules or laws occurred. Since the "Reyes" gloves are reported to be brand new, this should include an examination by the manufacturer of the gloves to determine if these gloves are faulty due to a manufacturing defect or if the gloves have been altered since they left the factory.

A chain of custody report for the gloves and wrapping is included with this memorandum.
