#### **Agenda Item 6 – Ringside Physician Shortage / Use of Non-trained Physicians**

Executive Officer Andy Foster stated sometimes, especially during summer, the commission does not have enough experienced ring side physicians for all the events that are going on. In the past, Mr. Foster has assigned an experienced ring side physician with a non experienced ring side physician. Mr. Foster stated that he believed this decision to use non-trained physicians at times is in the best interest of boxing. Mr. Foster stated that some experienced physicians do not agree with his decision, they would have preferred one physician at the event to get double pay.

Commissioner's Giza and Lemons stated support for the current commission policy of allowing a non-qualified ring side physician to work with an experienced ring side physician. The commissioners also stressed to the Executive Officer the importance of recruiting and training additional ring side physicians.

#### **Agenda Item 7 – Rulemaking Change to Allow Flexibility in the Timing of Weigh-Ins**

Commissioner Lemons stated that rule 297 is the most dangerous rule in the rule book.

Commissioner Lemons stated that non heavy weight athletes dehydrate themselves for weigh in and that dehydration is dangerous and athletes have died in the past. Additionally, rehydration before an event is dangerous too and the dehydration / rehydration cycle is paired closely with an event making it very dangerous for our athletes.

Commissioner Lemons stated he would like to at least have a subcommittee explore moving the weigh in time to perhaps a week before an event or to allow athletes to recover before they engage in arguably the most dangerous sport on the planet.

Commissioner Shen-Urquidez stated that the commission may want to consider obtaining digital urine refractometers to more adequately measure athlete hydration.

Commissioner Giza echoed Commissioner Lemons comments and added there is some evidence to suggest danger and caution in shortening the time between weigh-in and actual fight.

Commissioner Lehman stated she believes dehydration is a problem and that the language allowing 1 hour before fight is crazy - 24 hours seems to work - a proposal would be to perform two weigh-ins with one right before the fight to measure the level of hydration and set a cutoff.

Executive Officer Andy Foster stated that the 24 hour rule is standard across the country

Chairman Frierson assigned the topic to the Medical Advisory Committee for further discussion and recommendations.

**Agenda Item 8 – California Amateur Mixed Martial Arts (CAMO) Dehydration Study**

**Agenda Item 12 – Review and Possible Action of Pension Lost Beneficiary Clause Proposed Regulation Language**

Executive Officer Foster stated that Mr. Harris from the Center for Public Interest Law (CPIL) assisted in drafting the proposed language. Mr. Harris stated the goal of the proposed language is to set aside a reserve of 20 percent to pay any potential future claim on forfeited pension accounts. Mr. Harris stated there were some recent language changes and definitions added to the proposed language. He stated he would provide the commissioners with the updated language within a few weeks. No Action Taken - Deferred until next meeting.

- a) Executive Officer Foster recommended approval of Ms. Byers application to be licensed as a professional boxer with the understanding that the same matchmaking requirements would be enforced and any opponent would need approval.
- b) Commissioner Lehman stated that maybe someone from the commission could watch Ms. Byers spar to evaluate her skills.

- c) Commissioner Shen-Urquidez stated that Dr. Wallace, in association with the Association of Ringside Physicians, expressed a concern that because of Ms. Byers age, there is a rationale to deny licensure based on medical injury risk.
- d) Chairman Frierson stated this has nothing to do with age at all, but with proper matchmaking. The commission will only sanction fights that are properly matched.
- e) Executive Officer Foster recommended that before Ms. Byers compete as a licensed professional boxer, a commission referee evaluate Ms. Byers boxing skills.
- f) Commissioner Lehman made a motion to approve Ms. Byers professional boxing application as long as Ms. Byers completes a skills evaluation within the next several weeks. Chairman Frierson seconded the motion.
- g) **PUBLIC COMMENT:** Kenny Crum - Professional Fighter - Mr. Crum stated that Ms. Byers can really fight and wouldn't let her fight to get hurt.

**Agenda Item 19 – Request for Mixed Martial Arts License for Tony Lopez and Acceptance of Fine**

- a) Executive Officer Foster stated that Mr. Lopez has paid his fine and been cooperative with the commission and recommends acceptance of Mr. Lopez's application.
- b) Vice Chair Carvelli made a motion to accept Mr. Lopez's application. Commissioner Lehman seconded the motion. The motion was adopted by a 6-0 vote.

**Agenda Item 20 – Public Comment on Items not on the Agenda**

**Brent Robertson** - MMA Promoter - It is not financially rewarding in California to do business right now. Fans should know whether marketing materials are promoting professional versus amateur fighters. I am responsible for broken hands that are not wrapped by professionals. Every broken hands costs me as a promoter \$500 and I would like to make someone else responsible for this cost if my professional or a licensed hand wrapper doesn't do it. Indian casinos are risky for fighters because there is no insurance to protect the fighters. I have no idea who is the appropriate manager for a fighter and I find myself negotiating with several people saying they are the manager. There should only be one manager and they should be licensed so that I do not have to deal with three people for one fighter. I would like to see some formality in the management process.

## ARTICLE 12. PENSION PLAN

### § 400. Professional Boxer's Pension Plan.

The Commission hereby restates the Professional Boxer's Pension Plan("Plan") previously established by the Commission. The Commission may, in its discretion, contract with a private or public entity for the administration of such plan.

### § 401. Definitions.

(a) Account. "Account" means either the Participating Boxer's Regular Account or Refund Account.

(1) Regular Account. "Regular Account" means the account maintained by the Commission on the records of the Plan for each Participating Boxer representing allocations of contributions and forfeitures, adjusted for withdrawals, income, expenses and realized and unrealized gains and losses attributable thereto.

Each boxer's Regular Account shall be created as of the effective date of this restated Plan on May 1, 1996. An amount equal to the actuarial equivalent, or the present value of accrued benefit ("PVAB") of a Participating Boxer's benefit under the Boxer's Retirement Plan as of April 30, 1996 shall be allocated to the boxer's Regular Account on that date. This amount in the Boxer's Regular Account shall be referred to as the Participating Boxer's "grandfathered PVAB balance."

(2) Refund Account. "Refund Account" means an account maintained by the Commission on the records of the Plan for each Boxer who has incurred a Break In Service and who has made contributions to the Plan under the terms of this Article. Such account shall be created as a sub-account within the Pension Fund and shall exist until January 1, 2002, in accordance with the vesting provisions of this Plan.

(b) Accrued Benefit. "Accrued Benefit" means the aggregate amount in all of a Participating Boxer's accounts and shall include the actuarial equivalent of any participating benefit under the Plan as of April 30, 1996.

(c) Actuarial Equivalent. "Actuarial Equivalent" means the equivalent in value of the Accrued Benefit expected to be received based upon actuarial assumptions adopted from time to time by an enrolled actuary appointed by the Commission.

(d) Beneficiary. "Beneficiary" means all persons entitled under the provisions of this Plan to receive benefits after the death of a Participating Boxer.

(e) Boxer. "Boxer" means a licensed professional boxer.

(f) Boxers' Pension Account. "Boxers' Pension Account" means the fund held by the Commission in the Boxers' Pension Account established pursuant to Section 18882 of the Business and Professions Code for the exclusive purpose of paying benefits under this Plan.

(g) Break In Service. "Break In Service" occurs when a Participating Boxer fails to fight at least ten (10) scheduled rounds in California during any thirty-six (36) consecutive calendar months, after July 1, 1981, and prior to age 55. A Participating Boxer who suffers a Break In Service forfeits all credit earned for rounds fought up to that date unless such Participating Boxer is a Covered Boxer at the end of the plan year in which the Break In Service occurs. For purposes of this Article, a Boxer's service in the armed forces of the United States in a time of war or national emergency shall not be counted in determining when a Break In Service occurs.

(h) Covered Boxer. "Covered Boxer" means a Participating Boxer who has satisfied the vesting requirements of section 405(a).

(i) Forfeiture. "Forfeiture" means the reallocation within the Plan of that portion of a Participating Boxer's Regular Account that is not Vested prior to the date on which the Boxer incurs a Break In Service.

(j) Forfeiture Reserve. "Forfeiture Reserve" means the reserve set aside from each year's total forfeitures due to the Potential Claimant not claiming his or her Accrued Benefit before his or her 53rd birthday as adjusted to reflect the recommendation of a pension fund audit conducted at least once every two calendar years.

(k) Participating Boxer. "Participating Boxer" means a ~~licensed professional~~ Boxer who participates in a contest after July 1, 1981, and who is or may become eligible to receive a benefit under the Plan, or whose Beneficiary may be eligible to receive any such benefit, and who has not incurred a Break In Service. A Boxer who has incurred a Break In Service shall nonetheless be deemed a "Participating Boxer" for any year after that Break In Service in which the Boxer participates in a contest.

(l) Plan Year. "Plan Year" means the calendar year. The first Plan Year for this restated Plan shall be the period between May 1 and December 31, 1996.

(m) Suspense Account. "Suspense Account" means the account provided for in the funding and allocation provisions of this Plan.

(n) Vested. "Vested" means that the Participating Boxer or the Participating Boxer's Beneficiary has an unconditional, non-forfeitable right in the Participating Boxer's Accrued Benefit.

(o) Forfeited Vested Account. "Forfeited Vested Account" means an Accrued Benefit that has been forfeited by a Covered Boxer as a result of the Covered Boxer's failure to file a claim with the Commission for the Accrued Benefit prior to his or her 53rd birthday.

(p) Golden Boxer. "Golden Boxer" means a Covered Boxer between the age of 50 and 53 who has yet to file a claim with the Commission for his or her Accrued Benefit.

(q) Timely Claimant. "Timely Claimant" means a Covered Boxer between the age of 50 and 53 who has filed a claim with the Commission for his or her Accrued Benefit.

(r) Late Claimant. "Late Claimant" means a Covered Boxer over the age of 53 who makes a claim with the Commission for his or her Accrued Benefit.

(s) Potential Claimant. "Potential Claimant" means a Covered Boxer over the age of 53 who has not made a claim with the Commission for his or her Accrued Benefit.

#### **§ 402. Eligibility For Participation**

Any ~~professional~~ Boxer who fights in a Commission-approved contest shall be required to have contributions made to the Plan and shall participate in allocations of contributions and forfeitures in the Plan beginning with the first fight in which such requirements are met. The Boxer shall sign a waiver of privacy rights to the extent necessary to enable the Commission to locate the Boxer in order to assure the Boxer's receipt of benefits under the Plan. Any Boxer who was participating in the Plan prior to May 1, 1996 shall continue to participate in the Plan and share in allocations to the Boxer's Regular Accounts under the terms of this article.

(a) Effect of Break In Service On Current Participation.

Any Boxer who incurs a Break In Service prior to becoming a Covered Boxer shall cease to be a Participating Boxer in the Plan. If the Participating Boxer is a Covered Boxer pursuant to this Plan at the time he or she incurs a break in service, then such Participating Boxer's Regular Accounts shall be placed on inactive status, and the Participating Boxer shall not continue to share in the allocation of contributions but shall continue to receive allocations of the Plan's forfeitures and investment results.

(b) Determination of Eligibility.

The Commission shall determine the eligibility of each Boxer for participation in the Plan based upon information gathered for the Commission by the Commission staff. Each such determination shall be conclusive and binding on all persons. Any misrepresentation by a Boxer, manager, promoter, or Beneficiary shall be grounds for the denial, suspension or discontinuance of benefits, in whole or in part, or for the cancellation or recovery of benefit payments made in reliance thereon by the Commission. Each Participating Boxer shall participate in the Plan until such time as the Boxer incurs a Break In Service or begins receiving all or a portion of his Accrued Benefit from the Plan.

**§ 403. Funding And Contributions.**

(a) Contributions.

Contributions shall be assessed as follows:

The promoter shall contribute 88 cents (\$.88) on every ticket, excluding a working complimentary ticket as described in Section 264, up to a maximum contribution of \$4,600 per show.

(b) Formula for Allocation of Contributions.

(1) One half (1/2) of the contributions for the Plan year shall be allocated among the Regular Accounts of Participating Boxers who have not incurred a Break In Service as of the last day of the Plan year in the proportion that each such Boxer's scheduled rounds fought for the Plan year bears to the total scheduled rounds fought in the Plan year; and

(2) One half (1/2) of the contributions for the Plan year shall be allocated among the Regular Accounts of Participating Boxers who have not incurred a Break In Service as of the last day of the Plan year in the proportion that each such Boxer's total purses for the Plan year bears to the total purses paid for all fights fought by Participating Boxers in the Plan year.

(c) Formula for Allocation of Forfeitures.

Contributions shall be allocated to each Participating Boxer's Regular Account on the last day of the Plan year in the following proportions:

Forfeitures and Forfeited Vested Accounts, excluding the 20% of all Forfeited Vested Accounts reserved for any Late Claimants who, pursuant to 405(d), makes a claim for his or her Accrued Benefit, which become available in a Plan year for allocation shall be allocated to each Participating Boxer's Regular Account on the last day of the Plan year in the following proportions:

(1) One half (1/2) of the forfeitures shall be allocated among all Regular Accounts as of the last day of the Plan year in the Plan year in the proportion that each such Regular Account bears to the total Regular Accounts in the Plan; and

(2) One half (1/2) of the forfeitures shall be added to the Boxer, promoter and manager contributions for the Plan year and shall be allocated among the Regular Accounts of

Participating Boxers who have fought in the current Plan year according to the formula set forth in subsection (b) above.

(d) Forfeiture Reserve Account Calculation and Allocation.

20% of all Forfeited Vested Accounts, as provided 405(d) below, shall be held in a separate account from which all reinstatement claims filed by Late Claimants shall be paid. The size of the Forfeiture Reserve account shall be reviewed and adjusted at the discretion of the Commission pursuant to 404(b). The amount distributed to each Late Claimant who makes a claim subsequent to his or her 53rd birthday shall receive the Accrued Benefit as of his or her 50th birthday, as provided in 406(a), unadjusted for any subsequent gains. If the total Boxers' Pension Account shall decline in total amount from that point, then the Accrued Benefit for the Late Claimant may be proportionally reduced in order to preserve the health of the Boxers' Pension Account.

(d)(e) Forfeiture and Reallocation of Unvested Amounts.

If any Participating Boxer incurs a Break In Service prior to becoming a Covered Boxer, then such Participating Boxer's Regular Account shall be held in a suspense account on the records of the Plan after incurring such Break In Service until such time as it shall be forfeited and reallocated.

Suspense account balances shall be forfeited and reallocated under the Formula set forth in subsection (c) above, as of the last day of the Plan year following the Plan year in which the Participating Boxer completes a Break In Service.

**§ 404. Valuation And Earning.**

(a) Valuation of the Pension Fund.

The assets of the Pension Fund shall be valued annually at fair market value on the last day of the Plan year. The Commission shall determine the net worth of the assets of the Pension Fund at their fair market value on the last day of the plan year.

(b) Audit of the Boxers' Pension Account.

The Boxers' Pension Account shall be subject to audit at least once every two calendar years to calculate:

- (1) The amount in the Boxers' Pension Account for distribution;
- (2) Boxers' Pension Account income over the previous five years and as projected for the next five years;
- (3) Existing obligations to those boxers: (i) who have vested; (ii) who are Timely Claimants; (iii) who are Golden Boxers; (iv) and projected boxers likely to vest for benefit status in the next five years.

(c) Re-Evaluating the Forfeiture Reserve Account

After each audit of the Boxers' Pension Account, the Commission may adjust:

- (1) The percentage of Forfeited Vested Accounts reserved in the §403(d) forfeiture reserve account, which is currently set at 20% of all Forfeited Vested Accounts; and

(2) The source of funding for the Forfeiture Reserve Account. If the Commission staff determines that Forfeited Vested Accounts fail or may fail to provide funding to the Forfeiture Reserve Account sufficient to pay projected Late Claimants in a given Plan year, the Commission may utilize all Forfeitures in a Plan year to fund the Forfeiture Reserve Account.

~~(b)~~(d) Order of Adjustment.

Subject to the provisions governing allocations of contributions and valuation, the Commission shall adjust the Regular Accounts as of the last day of the Plan year as follows, in the order stated:

- (1) First, the Regular Accounts shall reflect proportionately any adjustment of fair market value of assets in the manner provided in subsection (e) below;
- (2) Second, the Commission shall allocate proportionately any income or loss in the manner provided in subsection (e) below;
- (3) Third, the Commission shall deduct all fees and expenses for the administration of the Plan;
- (4) Fourth, the Commission shall allocate contributions in the manner provided in Section 403(b);
- (5) Fifth, the Commission shall allocate Forfeitures in the manner provided in Section 403(c).

~~(e)~~(e) Allocation Of Investment Results.

As of the last day of each plan year, the income or loss attributable to the assets of the pension fund, reduced by expenses incurred since the last day of the prior plan year, shall be allocated to the accounts of the Participating Boxers who had unpaid balances in their accounts as of such date in proportion to the balances in such accounts as of the last day of the prior plan year, after reducing such prior plan year balances by amounts withdrawn or distributed since the last day of the prior plan year, if any.

**§ 405. Vesting.**

(a) Vesting.

A Participating Boxer shall become Vested in the amount credited to the Participating Boxer's Regular Account when the Participating Boxer has:

- (1) Fought in at least ten (10) scheduled rounds per calendar year during each of four (4) calendar years without an intervening Break In Service; and
- (2) Has fought in at least seventy-five (75) scheduled rounds without a Break In Service.

(b) Scheduled Rounds for Vesting.

A Participating Boxer shall be credited for fighting in one (1) round for each scheduled round of professional boxing fought in California in a Commission-approved bout as part of a contest in which at least one (1) round was commenced after June 30, 1978; provided however, the Boxer must fight in at least twenty (20) scheduled rounds in the thirty-six (36) calendar month period following July 1, 1981, in order to receive any credit for scheduled rounds fought beginning after June 30, 1978 but prior to July 1, 1981.

(c) Refund of Unvested Pre-1996 Boxer Contributions.

A separate refund account shall be created on the records of the Plan as of May 1, 1996, which shall contain all unvested Boxer contributions made prior to May 1, 1996, for all Boxers who have incurred a Break In Service as of April 30, 1996 under the terms of the Plan as it existed prior to such date. The Commission will continue to invest and safeguard those assets within the investment vehicle in which it is investing the Participating Boxers and Covered Boxers accounts.

On or after May 1, 1996 a Participating Boxer who has not vested but who has contributed a portion of his or her purse (under the provisions of this Plan in this article in effect prior to May 1, 1996), and who has incurred a Break In Service may request a refund from the Commission of the pre-1996 amounts contributed by him or her, plus 6% interest up to May 1, 1996 and plus his or her share of applicable earnings allocated to his or her account since that date. No Boxer who has vested and become a Covered Boxer is eligible for such a refund. All amounts not claimed by these boxers before January 1, 2000, shall constitute forfeitures and shall be allocated in accordance with Section 403(c), in three (3) equal installments for the plan years ending December 31, 1999, December 31, 2000, and December 31, 2001.

(d) ~~Lost Beneficiary~~ Forfeited Vested Account.

If, according to the records of the Commission, a Participating Boxer has reached age 50 and the Participating Boxer or his or her Beneficiary has not made a claim for benefits, the Participating Boxer's Accrued Benefit shall be held until the last day of the third plan year after the Participating Boxer reached age 50, at which time it shall be reallocated pursuant to Section 403(c) and 403(d); provided, however, that if a claim is later made by the Participating Boxer or Beneficiary for the Forfeited Vested Account, the Commission shall reinstate the amount of the vested account balance that had been forfeited, unadjusted by any gains or losses attributable to such amount. Such reinstatement shall be made from the ~~contributions for such year of reinstatement, prior to the allocation of contributions to accounts for the year of reinstatement~~ the Forfeiture Reserve Account pursuant to 403(d).

(e) Vesting of Pre-1996 Regular Account Balance.

Each Participating Boxer who is not a Covered Boxer as of May 1, 1996 shall continue to accrue credit towards vesting in his or her regular account balance under the terms of this Plan. In the event a Participating Boxer with a Regular Account balance attributable to pre-1996 contributions incurs a Break In Service before becoming a Covered Boxer, the portion of such Boxer's Regular Account balance attributable to amounts other than Boxer contributions, if any, shall be placed in the suspense account and shall be reallocated with other forfeitures under the terms of this restated Plan.

**§ 406. Determination Of Benefits.**

(a) Measure of Benefits.

The benefit distributable to a Covered Boxer upon retirement or to the Covered Boxer's Beneficiary in the event of the Covered Boxer's death, shall be the value of the Participating Boxer's Accrued Benefit as of the last day of the plan year coinciding with or next following the date of death or attainment of age 50.

(b) Nonliability.

The Commission does not guarantee the pension fund, the Participating Boxers or their Beneficiaries against loss of or depreciation in value of any right or benefit that any of them may acquire under the terms of this Plan. All of the benefits payable hereunder shall be paid or provided for solely from the pension fund.

(c) Methods of Payment.

The Commission, with respect to any benefit, is authorized:

- (1) To pay benefits directly from the pension fund in a lump sum or installments;
- (2) To invest the amount of the Accrued Benefit in an installment contract or annuity for the benefit of the Covered Boxer or the Participating Boxer's Beneficiary by conversion of existing contracts or otherwise. Such installment contract, endorsed as nontransferable, may be distributed to the Covered Boxer or the Covered Boxer's Beneficiary;
- (3) To distribute to the Covered Boxer the contracts on the Covered Boxer's life; in such event, if the vested interest of the Covered Boxer is less than the value of contracts to be distributed, then the Commission may reduce their net value to the amount of the vested interest by making a policy loan or allowing the Participating Boxer to purchase the excess contract value; or
- (4) Any combination of the preceding methods.

(d) Payment of Benefits.

(1) When a Covered Boxer either reaches age 50 or dies, the Commission shall determine the Boxer's Accrued Benefit on the last day of the plan year (or a valuation date as of the date the Participating Boxer became entitled to benefits hereunder, if the Commission orders a special valuation to be made or if the accounts are segregated individual accounts). The Covered Boxer shall be provided with a nontransferable, fixed or variable installment contract of such type and from such insurer as the trustee shall select, payable over a period of years not to exceed the greater of thirty (30) years, the Covered Boxer's life expectancy or the joint expectancy of the Covered Boxer and the Covered Boxer's designated Beneficiary. The payments shall be substantially equal in amount and shall occur at least annually.

(2) A Covered Boxer may, for good cause shown, petition the Commission in writing to receive one of the following alternative methods of payment:

(a) Lump Sum

A single lump sum distribution of the Covered Boxer's Accrued Benefit in cash or in-kind.

(b) Installments.

Cash payments in quarterly installments of substantially equal designated amounts or of a designated percentage of the value of the Covered Boxer's Accrued Benefit payable over a five year term, which shall not exceed the Covered Boxer's remaining life expectancy or over the joint life expectancy of the Covered Boxer and the Covered Boxer's designated Beneficiary.

(3) For purposes of subsection (d), "good cause" means the Covered Boxer's terminal illness or disability retirement, or the situation where it is objectively imprudent to purchase an annuity contract.

(e) Commencement Of Payment Of Benefits.

Distribution of the funds due to a Covered Boxer shall be made to such Covered Boxer as soon as is administratively feasible after the last day of the plan year in which the Covered Boxer reaches age 50 or dies or meets other applicable early retirement distribution criteria and without unreasonable delay unless due to causes beyond the control of the Commission, its trustee or other appointed fiduciary.

(f) Vocational Early Retirement Benefit.

A Covered Boxer may ask the Commission to convert all or a portion of the Covered Boxer's accrued benefit to a vocational education benefit. This request shall be made by the Covered Boxer on or after the Covered Boxer has reached the age of 36 and has retired from boxing, as evidenced by unconditional surrender or cancellation of the boxer's license. The Commission may, in its discretion, grant such petition in whole or in part.

If the Commission grants the petition, it may pay all or a portion of the Covered Boxer's accrued benefit for education or vocational training. The Commission shall make such payments directly to an institution approved by the Bureau for Private Postsecondary and Vocational Education, or its equivalent in another state or jurisdiction, on a periodic basis as billed by the institution and where the institution submits evidence satisfactory to the Commission that the boxer is maintaining satisfactory attendance at the institution.

(g) Amount of Death Benefits.

Upon the death of a Covered Boxer prior to age 50, the Covered Boxer's accounts shall become payable to the Covered Boxer's beneficiary.

(h) Designation Of Beneficiary.

Each Participating Boxer shall have the right to designate, on forms provided by the Commission, a beneficiary or beneficiaries to receive the Participating Boxer's death benefits, and shall have the right, at any time, to revoke such designation or to substitute another such beneficiary or beneficiaries without the consent of any beneficiary; provided, however, that a married Participating Boxer and spouse must both designate any non-spouse beneficiary or beneficiaries. The Commission shall file all beneficiary designations with the trustee and with the insurer insofar as they affect any insurance contracts on the Participating Boxer's life.

(i) Absence Of Valid Designation Of Beneficiaries.

If, upon the death of a Covered Boxer or beneficiary, there is no valid designation of beneficiary on file, the Commission shall designate the Covered Boxer's survivors and issue as the beneficiary, in order of priority according to the California Probate Code.

The determination of the Commission as to which persons, if any, qualify within the aforementioned categories shall be final and conclusive upon all persons. The Commission may seek a declaratory judgment of a court of local jurisdiction to determine the identity of beneficiaries and their respective shares at the expense of the beneficiary's accounts.

(j) Distributions To Incapacitated Covered Boxers.

If a Covered Boxer or beneficiary who is entitled to a payment under the Plan is deemed incapable of personally receiving the payment, the Commission or its trustee may make all benefit distributions to the persons or institutions which are providing for the care and maintenance of the Covered Boxer or beneficiary and continue to make distributions to them until a duly appointed legal representative of the Covered Boxer or beneficiary makes a claim for the payment. Payments made pursuant to the terms of this subsection shall constitute a distribution to the Covered Boxer or beneficiary entitled thereto, and shall immediately discharge the Commission, the Plan and the pension fund or any further liability therefor.

§ 407. Benefit Claims and Appeals.

(a) Request for Information.

Any Participating Boxer or beneficiary may request information from the Commission concerning rights or benefits under this article. The executive officer or his designee shall respond, in writing, not to exceed thirty (30) days, unless the failure to respond results from matters reasonably beyond the Administrator's control.

(b) Claim For Benefits.

The Commission shall inform a claimant in writing within 30 days after receiving a claim whether the claim is complete and includes all information and documents necessary to establish the claim. The Commission shall provide a written decision within 60 days after receipt of a complete claim. A written decision on each claim for benefits shall be provided to the person making the claim. If the claim is denied in any respect, the decision shall set forth the specific reasons for such denial, written in plain English, including:

(1) Specific references to pertinent Plan provisions on which the denial is based:

(2) An explanation of the Plan's review procedure for denied claims.

(c) Review of Denied Claim.

Within ninety (90) days after receipt of decision denying a claim for benefits, the Covered Boxer or beneficiary making the claim or his/her authorized representative may file a written request for review. The Commission shall notify the claimant that it has received the request for review and that the claimant may submit, within thirty (30) days from the date of the notification, a written statement and documents to give whatever facts or evidence the claimant feels bears upon the claim, review pertinent documents and records and submit issues and comments in writing. The Commission shall make a full review of the record, including the written and oral information submitted by the claimant. Within thirty (30) days of the claimant's deadline to provide information, the Commission shall render a decision and if the claim is again denied, the Commission shall set forth the specific reasons for such denial written in plain English. Such decision shall contain the same information required by the subsection (b), above.

(d) Time.

The filing of a claim or receipt of a notice of decision and any event starting a time period shall be deemed to commence with personal delivery signed for by the claimant or by affidavit of personal service, or the date of actual receipt for certified or registered mail (or date returned if delivery is refused or a claimant has moved without giving the Commission, or its agents a forwarding address).

## **IKF RULES REGARDING EVENT REFEREE DUTIES - CONTINUED**

14. **STANDING 8 COUNTS:** If a fighter looks helpless and receives several blows to the head but continues to stand, not move and not be able to defend him or herself, the referee will step in and give the fighter a standing 8 count and if the referee feels necessary, he may stop the fight at that time. The Referee shall not stop the bout when a fighter is still standing, unless either a knockdown has happened within the round in question or at least 1 standing 8 count has been given to the fighter in trouble within the same round. The referee will not step in to give a standing 8 count if the opponent getting beat is still able to hold up his hands to chin height and still protect him/herself. This prevents a recovery period when one fighter is clearly beating the other. However, if the referee has already given at least 1 standing 8 count to the fighter in trouble, he may step in, and at that time, the referee shall make a decision about stopping the bout. At ANY time, the referee may also request the ringside physician to come up to the ring and make a true medical determination whether a fighter should continue or not.
15. **KNOCKDOWNS & KNOCKOUTS:** If a fighter is knocked down 3 times in 1 round, the fight is over. Sweeps do not count as a KNOCKDOWN and a leg kick to a single supporting leg do not either. If a fighter is knocked down to the ring floor or falls to the floor, he must get up under his own power. Fighters can only be saved by the bell in the final round. If one fighter is knocked down, the referee must instruct the other fighter to retreat to the farthest neutral corner. WHITE.
16. **CLINCHING:** The referee must wait until a count of 8 before breaking up any clinch on all Full Contact & International Rule Bouts. Let the fighters fight out of it. On Muay Thai bouts, the clinch will not exceed 5 seconds and sometimes as short as 3 seconds. This will be determined in matchmaking. The referee check with the promoter and or **IKF** Representative of the clinch time agreed upon and then verify this to both fighters and their trainers before the start of the bout.
17. **CORNERMAN RULES:** The Referee will give a maximum of -2- warnings ONLY to a cornerman or second that lean on top of the ring floor, Touch the ring ropes, slap or hit the ring, yell or coach his/her fighter or yell at any official during the fighting round. If after -2- warnings, said cornerman or seconds continue to do so, the fighter who's corner is not following the rules and regulations of a cornerman could lose a point or his/her corner/trainer could be fined, suspended or disqualified from the match by the **IKF** representative at ringside. If disqualified, the fighter will lose by TKO. The only person other than the referee and the fighters allowed to touch the ring canvas during the middle of a round, shall be the timekeeper who shall slap the ring canvas "3" times when 10 seconds remains in each round.
18. **PROTECTING FIGHTERS FROM OUTSIDE DISTRACTION** If a spectator throws any object from the crowd into the ring, TIME will be called by the referee & event security will escort the spectator out of the arena room. The spectator will be subject to arrest & fines. If a second or corner throws anything into the ring, it will be taken as a request to stop the fight and said corner will lose by technical knockout.
19. **FOULING-STOPPING THE FIGHT:** If the referee determines that the fighter being fouled needs time to recover, he may stop the fight and the time and give the injured fighter time to recover. At the end of such time, the referee and ringside doctor shall determine if the fighter can continue. If so, the round will begin at the stopped time. If not, the referee shall gather all 3 judges score cards and the winner will be determined by who was ahead on the 3 score cards at the time of the foul. A 1 point deduction shall also be given to the fighter committing the foul. If the fighters were even a TECHNICAL DRAW will be awarded. If the foul occurs in the first round, a NO CONTEST shall be awarded to each fighter.
20. **COUNTING OVER A DOWNED FIGHTER:** When a fighter is knocked down or purposely falls down without will to stand, the referee shall instruct the other fighter to retreat to the farthest neutral corner of the ring from the downed fighter. The count of the downed fighter by the ringside timekeeper must begin once the fallen fighter touches the ring floor. If the referee was occupied by instructing the other fighter to retreat to the furthest neutral corner, the referee upon returning to the downed fighter shall pick up the actual count from the ringside timekeeper who shall make the count clear and visible by counting with his fingers over his head so the referee can pick the count up clearly. From there, the referee shall continue the count over the downed fighter with the referee showing with his arm in motion the number of the count with 1 hand up to 5 and continuing on the same hand up to 5 fingers to signal a count of 10. At the end of each downward motion shall be the count of each number. If the fighter stands during the count, the referee shall continue the count. If the standing fighter leaves the neutral corner, the referee shall again instruct the standing fighter back to the corner. At such time, the referee will begin the count from 0 AGAIN. If the fighter on the canvas does not stand before the count of 10, the standing fighter shall be determined the winner by knockout. If the referee feels that the fighter can continue, the referee shall wipe the end of the fighters gloves on the referee's shirt before continuing the fight.

# **IKF RULES REGARDING EVENT JUDGES**

1. Minimum of 18 Years of Age.
2. The three scoring judges of a bout shall individually score each round by marking their scorecards.
3. At the end of each bout, the referee shall collect the scorecards from each judge and bring them to the **IKF** representative at ringside.
4. The scorekeeper or the **IKF** Representative shall then check all the scores on each individual card.
5. Once the scores are confirmed, the scorekeeper or representative give the official scores to the event ring announcer. The scores shall be read in totals of the fight as stated on the official announcement card, not each round. Once done, the ring announcer shall announce the winner by corner color first and then the fighter's name.

## **1. JUDGING EACH ROUND**

- o Each judge shall score each fighter between 7 and 10 points for each round.
- o Fighters are judged by domination, effectiveness of technique, aggressiveness and kickboxing ability.
- o Judges will evaluate which fighter DOMINATED the bout. NOT who threw the harder punches or kicks (*Unless there were a lot of them*), but who landed the most and did the most damage during the entire round.
- o ONE good hard punch or a short flurry could win a round for a fighter in a round that up until that moment appeared EVEN to the judge.
- o ONE good hard punch or a short flurry WILL NOT win a round for a fighter in a round that up until that moment was being dominated by the other fighter UNLESS the flurry or strike resulted in a knockdown or standing 8 count.
- o The bout is scored by points and or effective blows landed to a target area. The fighter who dominates the round will be given a 10 while the other fighter a 9.
- o No judge shall give a fighter less than 7 points for a round "UNLESS" there are "Point Deductions". See "POINT DEDUCTIONS" below.

## **2. KNOCKDOWNS OR STANDING 8 COUNTS**

- o ONLY the referee makes the determination whether a fighter was knocked down or needs a standing 8 count.
- o In MuayThai, a fighter can be knocked down and NOT receive a standing 8 count "IF" he/she gets up to their feet "QUICKLY". In MuayThai rules this is known as a "FLASH KNOCKDOWN". If the fallen fighter does not rise quickly, the referee will decide whether to give the standing 8 count or not.
- o When a punch, kick or flurry of strikes results in the referee administering a standing 8 count or counting over a fighter that was knocked down, no matter what happened prior to this (*Unless there was another standing 8 count earlier or knockdown*) the fighter who did not receive the 8 count will ALWAYS be awarded the score of 10 for the round. Even if he was losing the round up until that point.
- o **SCORING THE KNOCKDOWN OR STANDING 8 COUNT**
  - Scoring a knockdown or standing 8 count is not as easy as giving one fighter 10 and the other 8. For example;
    - If the round was even or the fighter who was not given the standing 8 count was dominating the round, at the end, the round should be scored 10-8. 10 for the fighter who did not get the standing 8 count or knockdown and 8 for the counted fighter. This is the easiest example of judging the standing 8 count or knockdown.
    - If the above fighter who was knocked down was dominating the bout prior to the knockdown or standing 8 count, he will still NOT receive a score of 10. However, he/she "MAY" not receive an 8 either. If the judge feels the fighter who was knocked down was dominating "THE ENTIRE BOUT" other than the "1" knockdown, the judge has the "CHOICE" to score it a 10-9 round rather than a 10-8 round.
- o **SCORING A ROUND WITH MULTIPLE KNOCKDOWNS OR 8 COUNTS.**
  - **If BOTH fighters score standing 8 counts** or knockdowns, in the judge's mind, the round score goes back to being even. NO Fighter will be given an 8 in the round if there are no other standing 8 counts or knockdowns in the round.

## IKF RULES REGARDING EVENT JUDGES – CONTINUED

### 5. SCORE EXAMPLES

- o **10-10** round, indicates that according to the judge, BOTH fighters showed even or equal skill and no clear winner could be determined by the judge.
- o **10-9** round, indicates one fighter was somewhat more effective than the other or even dominated the round without a knockdown or standing 8 count. A 10-9 could also be given in a round where the dominating fighter was knocked down once in the round.
- o **10-8** round indicates one fighter was in constant control and clearly out fought his opponent as far as technique within the ring "AND" scored a standing 8 count or a knockdown on his/her opponent. The 10 score would be given to the fighter who forced the knockdown or a standing 8 count.
- o **10-7** round indicates total domination by one fighter in all aspects to the point that the referee nearly stopped the fight. There should have been at least 2 standing 8 counts and or 2 clear knockdowns.
- o **9-9** score indicates one or both fighters scored 10, but a point deduction brought the score down to 9-9. Again, these are just some EXAMPLES. There are many other possibilities in final scoring, especially when point deduction, standing 8 counts and knockdowns all intermix together in a single round.

3. **DRAW:** When all 3 score cards show equal points to each fighter.
4. **MAJORITY DRAW:** When 2 out of the 3 judges score equal amount of points to both fighters.

10. **TECHNICAL KNOCKOUT:** A fighter has been stopped from fighting from taking too many blows or maybe knocked down 3 times in one round, but can still stand or is not knocked "OUT". This is a fighter who is obviously hurt and the referee feels he/she cannot continue any longer. Any fighter who loses their bout by TECHNICAL KNOCKOUT will be suspended from Fighting for 45 days.
  - o If the TKO (TECHNICAL KNOCKOUT) stop was not due to a head blow the fighter, trainer and or manager may make a request in Writing to the **IKF** Headquarters for a "Suspension Waiver". Examples of bouts that end with a TKO decision that "Could" be accepted for "Suspension Waiver". Are:
    - A stop from an injury, except broken bones. (EX: Pulled muscle, twisted ankle etc.)
    - Stop from a body blow that did not do any internal damage or break any bones.
    - Fighter was simply too tired to continue.
11. **KNOCKOUT:** A fighter shall be awarded a knockout if he knocks his opponent to the ring floor and the opponent is OUT COLD by the count of 10: In the **IKF**, a "KNOCKOUT" indicates that a fighter was "OUT COLD" after a strike. Any fighter who loses their bout by KO, or KNOCKOUT will be suspended from Fighting for 45 days. It is the responsibility of the fighter, trainer and manager to respect and abide by this rule for the personal safety of their own fighter.
  - o Their are no "Suspension Waivers" allowed for true KNOCKOUT loses. This is for the protection of the fighters.
12. **DISQUALIFICATION:** Usually the decision after an excessive Foul (or 1 harsh Foul. ). The **IKF** Referee and **IKF** Ringside Representative shall make such a decision.
  - o **FOR EXAMPLE:** If a fighter is injured from a foul, and the fight continues, but is later stopped because of additional injury to the fouled area, the score cards will be tallied. If the fighter fouling is ahead on the scorecards a TECHNICAL DRAW will be the result of the fight. If the fighter not fouling is ahead, he will be awarded a TW (*Technical Win*) and the fighter fouling will be awarded a TL (*Technical Loss*) or DISQUALIFICATION.

## **IKF TIME BETWEEN BOUTS & MEDICAL SAFETY RULES**

### **○ TIME BETWEEN BOUTS**

This rule is to avoid a fighter, fighting on a "Different Promotional" event less than 7 days after a fight or a fighter fighting too soon after being defeated by a Knock Out or TKO by too many striking blows.

- If the fighter is fighting in a TOURNAMENT within a 3 day time span and does not lose by KO/TKO and is not cut or injured during their bout, the "Time Between Bout" Rule does not apply.
  - Fighters in a TOURNAMENT MUST be checked by a Licensed MD after EACH BOUT to assure they are in good health to continue to the next round.

### **○ TIME BETWEEN BOUTS**

- 7 days, not counting the day that they fought.
  - **Example 1:** If you fight on Friday night the 1st, you cannot fight again until the following weekend, Saturday the 8th.
  - **Example 2:** If you fight on Saturday night you are out until the next Sunday (a full 7 days)
    - There are other reasons for this rule as well. These reasons will also explain why a fighter can fight multiple times within 2-3 days if only on the SAME event. Such as;
      - It stops a fighter from booking back to back fights where as the second fight's promoter risks him not being on his event if injured the week before.
      - It gives the IKF a chance to make sure all the fighters' results are made public. An amateur fighter could fight as a pro and turn around and fight as an amateur a week later because the news had not gotten out yet he fought pro.

### **○ TKO - TECHNICAL KNOCK OUT**

- Minimum of 30 Day Medical Recovery Suspension.
- It is the responsibility of the Events Licensed Medical Doctor - Ringside Physician to evaluate the severity of the TKO and while still at the event, issue a medical suspension of a minimum 30 days to the fighter knocked out or stopped.
- This is to assure that the fighter has time to recover from the blows suffered and be evaluated by a Licensed Medical Doctor to assure they are able to fight again and when.

### **○ KO - KNOCK OUT**

- Minimum of 45 days to 90 Day Medical Recovery Suspension.
- It is the responsibility of the Events Licensed Medical Doctor - Ringside Physician to evaluate the severity of the KO and while still at the event, issue a medical suspension of a minimum 45 days to the fighter knocked out or stopped.
- This is to assure that the fighter has time to recover from the blows suffered and be evaluated by a Licensed Medical Doctor to assure they are able to fight again and when.

### **○ FACIAL CUT**

- 60 Day Medical Recovery Suspension OR WHEN Cleared by Medical Doctor.
- It is the responsibility of the Events Licensed Medical Doctor - Ringside Physician to evaluate the severity of the cut and while still at the event, issue a medical suspension of a minimum of 60 days to the fighter cut.

### **○ LIMB OR JOINT INJURY**

- Minimum of 30 days to 120 Day Medical Recovery Suspension OR WHEN Cleared by Medical Doctor.
  - It is the responsibility of the Events Licensed Medical Doctor - Ringside Physician to evaluate the severity of the injury and while still at the event, issue a medical suspension of a minimum of 30 days to the fighter injured.

### **○ BROKEN BONE**

- Minimum of 180 Day Medical Recovery Suspension OR WHEN Cleared by Medical Doctor.

### **○ FINE & SUSPENSION**

- If ANY AMATEUR fighter is caught breaking ANY OF these rules, by fighting for another organization or on an unsanctioned event within 7 days of an IKF Sanctioned event, that fighter will be suspended from competing by the IKF for a minimum of 60 days and fined a Medical Rest Period Fine of \$250.00. *Suspension remains until fine is paid.*

## **JUDGING**

- Three judges will sit at ringside and score each bout based on a 10 point must system just like in regular boxing or kickboxing. The winner gets 10, the loser gets 9 or less if point deductions occur.
- Bouts judged solely on who lands the most strikes / points in the designated areas based on the judges discretion.
- It will not be judged on who the crowd is chanting for on one's "show boating" etc.
- Point Kickboxing is a semi contact event and no full contact techniques will be allowed.
- If judges rule that a participants is intentionally trying to hurt someone or hurts someone resulting from a full contact blow that participant will be disqualified with no refund. (*this will be at judges discretion majority rules*).
- Full protective gear is Mandatory - approved head gear, mouth piece, groin protectors, shin guards, handwraps and foot pads must be worn.
- All strikes must be in designated striking areas... these are front head area, front body area, inside and outside of thigh... no groin strikes. If there is a draw in a match there will be an extra round to determine a winner.
- If a leg kick is thrown and it is blocked with the shin portion of the leg...it is not a point.
- If a knee is thrown to the body but is blocked it is not a point. All techniques must land in designated striking area to be counted as a point.

## **POINT DEDUCTION OR POSSIBLE DISQUALIFICATIONS**

- No elbows!
- Too Much Contact- Reminder all techniques must be controlled with semi - contact only.
- Use of profanity and un-professionalism.

---
