was transferred to the Fund Balance. Vice-Chair Carvelli commended Mr. Foster and his team, acknowledging the positive budget status for this Fiscal Year.

REPORT OF PENDING REGULATIONS

Mr. Foster explained that the absence of AEO Sophia Cornejo was due to her being in Sacramento at a regulatory hearing for the Commission's following proposed regulation packages: Pension Lost Beneficiary Clause, Neurological Assessment, Television Tax Cap, and Transgender Athletes.

Agenda Item 5 –Review and possible action of revised Officials Pay Scale.

Mr. Foster explained that the Commission currently has six different levels of pay for Officials, and proposed to the Commission a new pay scale that would break the pay into only three different levels. He continued by outlining the rationale for this change; explaining that utilizing the proposed pay scale will allow promoters a clearer idea of their expenditures for their event; it intends to alleviate the pressure to figure out the box office the night of the event; lastly, the proposed pay scale aims to allow for a more accurate reporting of ticket sales, preventing promoters considering the need to skew numbers in order to fall in the lower pay scale brackets.

After much discussion between Commissioners, including information provided on current pay scales for other jurisdictions, Mr. Foster suggested that the proposed pay scale's numbers can be discussed, but urged the Commission to consider only three levels, instead of six. He also recommended that the Commission consider revising the statement that is listed on the pay scale regarding main event referees and judges to read "referees and judges may be assigned to work undercard bouts."

Commissioner Shen-Urquidez stated that she does not foresee any governing bodies being uncomfortable with the proposed changes, and suggested that she also doesn't see them being uncomfortable with raises in per-diem for officials.

Commissioner Lehman motioned to change to a three-tier pay scale, excluding physicians, as well as increase the per-diem for officials to \$40 with a mileage rate to match current State rate. Commissioner Shen-Urquidez seconded Commissioner Lehman's motion and passed 5-1 (Lemons opposed).

PUBLIC COMMENT

Mr. Roy Englebrecht, boxing promoter based in California, spoke in support of Commissioner Lehman's motion.

Dr. Lou Moret, boxing official, commented that he does not see a problem with the idea of having three tiers, suggesting that the Commission consider \$30,000 and \$60,000 for the second and third tier, instead of \$50,000 and \$100,000.

Agenda Item 6 –Discussion and possible action regarding the creation of a Strategic Plan 2015-2017 Subcommittee

Mr. Foster recommended that a sub-committee be formed to allow opportunity for the Commissioners to give direction, moving forward, on the next Strategic Plan.

A sub-committee was formed to include Vice-Chair Carvelli and Commissioner Giza.

Agenda Item 7–Discussion and possible action regarding 6-month extension of delegation of amateur kickboxing to International Kickboxing Federation (IKF).

Mr. Foster presented the Commission with an overview of the materials that were provided from IKF regarding their temporary delegation. He explained that IKF has completed 15 events since their original delegation and suggested that the Commission consider extending the delegation another 6 months to allow more data to be collected before a final delegation is awarded.

After much discussion regarding IKF's current delegation and a review of the reports that were submitted for each show, Commissioner Shen-Urquidez motioned to extend IKF's delegation for 6 months; Commissioner Giza seconded the motion and passed 6-0.

Agenda Item 8–Discussion regarding delegation of Youth Pankration to the United States Fight League.

Mr. Foster presented information submitted by the United States Fight League (USFL), which outlined their plan for regulating Youth Pankration (YP). Commissioner Carvelli gave a report on the Youth Pankration sub-committee's research on USFL.

There was much discussion regarding various expectations on an organization that receives the delegation, such as USFL, should adhere to. One subject in particular was reporting of injuries, which included suggestions for timing and manner in which a delegated organization must contact the Commission after an injury to a participant.

Spencer Walker, Senior Staff Counsel, DCA, listed the standard requirements that an organization that receives this delegation must comply with and provide in order to maintain the delegation.

PUBLIC COMMENT

Mr. Anthony Morales, Father of USFL participant, commented that USFL has the coverage to build awareness, with media, safety, and the reputation of the sport. He further commented that USFL and the State's primary concern should be doing the right thing for the future of the sport.

Mr. Greg Patschull commented on the current interpretation of light vs. full contact in the sport.

Ms. Anna Yustis spoke in support of the movement toward delegation of YP to USFL.

Agenda Item 9–Review and possible action regarding request from Jorge Menjivar to convert Art Becerra's loss into a No Contest or remove completely from official record (Daniel Romero vs. Art Becerra on May 3, 2013, at Jackson Sports Arena, Sacramento, CA).

Mr. Foster presented the Commission with the video of the bout and recommended that the Commission consider overturning the result of this bout. He also requested Mr. JT Steele's opinion of the early stoppage.

Mr. Steve Fossum spoke on behalf of Mr. Dan Stell who was the official of the bout in question. He stated that Mr. Stell made the decision to stop the bout based on what he observed from the athlete. Mr. JT Steele, CAMO, responded to Mr. Foster's request for his opinion, stating that based on the video provided, he would consider this an early stoppage.

Mr. Roy Englebrecht commented that it is his opinion that this bout could be overturned and not

create precedent for future appeals. Commissioner Lemons stated that he does not believe that there is rationale to overturn the referee's judgment call.

Commissioner Shen-Urquidez made a motion to overturn result of this bout, to reflect a 'no decision.' Vice-chair Carvelli seconded the motion.

Commissioner Lehman asked what the effect would be, moving forward, on referees and judges if the Commission approves this request.

A vote was called and the motion failed with a 3-3 vote.

Aye (Lehman, Carvelli & Shen-Urquidez), Nay (Giza, Lemons & Frierson).

Commissioner Shen-Urquidez suggested that the Commission create a protocol for use in these instances.

Agenda Item 10—Information regarding a Fighter's Study at the Ruvo Center for Brain Health, Cleveland Clinic.

Commissioner Giza presented the Commission with an overview of the studies being conducted at the Ruvo Center for Brain Health, Cleveland Clinic. He requested that the Commission direct a representative of the Medical Advisory Committee to work with the clinic in outreach and study efforts.

Chairman Frierson authorized the Executive Officer to post the study information to the CSAC website and other outreach tools.

Agenda Item 11—Discussion and possible action regarding the license suspension of All Star Promotions

Mr. Foster provided the Commission with an overview of the current suspension on All Star Boxing's Professional Promoter license; he included background of what led to them needing to appear in front of the Commission. He recommended that the Commission consider issuing an official warning to All Star Boxing and allow All Star time to comply, and report back to the Commission.

Commissioner Lehman motioned to reinstate All Star Boxing's current license, requiring a 6-month period for them to conduct events and show improvement to the Commission at the December meeting. Commissioner Giza seconded the motion, passing 6-0.

Agenda Item 12 – Public Comment of Items not on the Agenda

Mr. Daniel Sandoval spoke on behalf of Mr. Marty Denkin who could not be present at the meeting. He explain that Mr. Denkin would like the Commission to be aware that he is not retired, and he is unsure why he has not been receiving assignments.

Dr. Lou Moret spoke in opposition of the Executive Officer's proposed Officials Pay Scale.

Association of Ringside Physicians Releases Consensus Statement On Weight Management in Professional Combat Sports

The Association of Ringside Physicians (ARP), an international, non-profit organization dedicated to the health and safety of the boxer and mixed martial arts athlete, has released a consensus statement on weight management in professional combat sports as follows:

Introduction

Unhealthy and sometimes dangerous weight loss practices continue to be a significant problem in amateur and professional combat sports. The ARP recommends that regulatory bodies adopt standardized weigh-in policies in conjunction with year-round weight management and educational programs.

Discussion

There is a growing body of information in the medical literature that presents unequivocal evidence of the danger of excessive weight loss, rapid weight loss, and repeated cycling of weight gain and loss. Rapid weight loss and dehydration have been proven to negatively affect a number of health-related parameters including: physical performance, cardiovascular function, temperature regulation, hormonal balance, nutritional status, neurologic function, mental performance, and energy utilization. These may cause life-threatening muscle breakdown, shock, heat illness, kidney failure, and electrolyte imbalances, in addition to placing the athlete at increased injury risk. Additionally, the possible relationship between dehydration and predisposition to concussion requires more investigation. Significant dehydration also puts the athlete at risk of improper rehydration techniques — when, in reality, proper re-hydration requires hours to days.

The prevalence of these problems is significant. One recent study found that 39% of MMA fighters were entering competition in a dehydrated state. Many cases of dehydrated athletes using intravenous fluids to re-hydrate after weigh-ins have been reported — considered a doping violation with several international organizations. Heat illness and death in athletes have been previously documented in the sports of wrestling and MMA. Weight management regulations for boxing/MMA competitors are warranted to mitigate improper weight loss techniques contributing to severe dehydration and starvation and their complications.

A number of organizations including the National Collegiate Athletic Association (NCAA) have adopted rules to minimize unhealthy weight loss in weight-classified sports. The rules emphasize hydration and body composition assessment to identify an individual's proper weight class, and provide a safe, gradual, weekly weight control plan (gain or loss) to achieve same if desired. The new regulations were subsequently investigated for their effectiveness and were reported to be successful by minimizing unhealthy weight loss, excessive weight fluctuations, and competition at weight classes inappropriate for a given athlete. *It is noted that the effectiveness and success of protocols such as same day weigh-ins are directly tied to proper weight management programs.*

Renan Barao out of UFC 177 after passing out before weigh-ins

by Josh Sanchez 6w ago

UPDATE: TJ Dillashaw will face UFC newcomer Joe Soto in the new UFC 177 main event for the bantamweight title.

The UFC may be in a lot of trouble less than 24 hours before UFC 177. According to a report, Renan Barao has been forced to withdraw from his scheduled fight against bantamweight champion TJ Dillashaw in the main event.

Per Evy Rodrigues of Brazilian news outlet Globo, Barao passed out during weigh-ins. Barao was reportedly transported to the hospital.

According to the report, Barao is feeling better, but he will not be fighting Dillashaw at the Sleep Train Arena in Sacramento, California on Saturday night.

This would leave UFC 177, which has already been criticized as a weak card, without a main event.

Earlier today, Henry Cejudo's preliminary card bout against Scott Jorgensen was scratched after Cejudo suffered weight-cutting complications of his own. Without Dillashaw vs. Barao, UFC 177 would be down to just eight fights and the promotion would be faced with a difficult decision of what to do next.

It would be hard to push the event as a pay-per-view worthy event.

One option for the UFC would be to allow Dillashaw to defend his title against Jorgensen.

Sophia/Andy:

This is the video of the 'illegal' blow administered to **SKIP SCOTT in the GERALD WASHINGTON** fight. Please look at this video again and let us know about the next commission meeting to correct this missed call by Dr. Lou Moret. Listen to the commentators and their thoughts of what they see on tape. The video shows it all. The placement of the punch was administered by Washington and done while 'he' knew Scott was down. It's pretty easy to figure out when a 6'8" guy's head reached you below your chestthat he was down on a knee long enough for Washington to know. Was this blow thrown because Scott delivered a very strong blow to Washington the first round creating some fear from Washington? It's a thought....

I am hoping that your administration will not take away future earnings of a hard working boxer (Scott) who has the opportunity to test his skills against name opponents or against Washington again. This is especially true in this scenario.

Washington was pushing Scott down while Scott was attempting to use his arm to stay UP.....

Dr. Moret came into our dressing room before the fight for instructions and said verbatim in front of several attendees, **"If an opponent is down and is hit while he is down...I will disqualify the fighter who administered the blow."** In this case would it have been a different call if the tables were turned? Does Al Heyman have that much influence? That is the question I am receiving from MANY journalists since that fight happened. If you wish to have some of these emails from the media sent to you we would be more than happy to do so.

Andy, it seems you can understand this better than most being a former boxer and MMA competitor. It seems you would have a better handle on a situation like this one with your vast experience in Georgia.

We are only asking for what is proper and ethical.

Many thanks. Please advise us on your thoughts about our staff and attorney attending the next meeting (not sure when this will be on the agenda again) . Since this video shows how obvious this infraction was, do we still attend or can you make a decision in reference to a **disqualification** or **no-contest** without our attendance?

Looking forward to your reply. I respectfully thank you for your time and due diligence.

Do you still need this in a 'stick' for us to send to you?
